I think the English language is extremely...., it has my knowledge greatly and has certainly..... my..... As a person l'm more well....

I have a greater.... for other cultures and my own.

There are more..... than rules.

 l just want to tell everyone who's thinking about learning English that you don't have to be, is the effort.

It your horizons, you can better jobs, more money, you seem more and people respect you more.
