# Introduction. Problem question.

- 1) My project is New Zealand . I would like to tell you about the country, the capital, Geographical position, places of Interest.
- 2) The tasks of my project is learn something new about the country. To know more about New Zealand .
- 3) Problem question. Is New Zealand really a good place to live?
- 4) I want to know more about New Zealand
- 5) Theme is very interesting for me, because I like to explore new countries.

# Problem question.

Is New Zealand really a good place to live?

One of the main features of the New Zealand mentality is the complete absence of fuss and haste in any business. The attitude of the locals towards visitors is favorable. Hence New Zealand is a good country to live.

# Geographical position

The main territory of the country consists of two islands with the corresponding names-South Island and North Island, separated by the Cook Strait. The country is washed by the Pacific Ocean.

# Capital, places of Interest

Windy City. Wellington is the windiest city in the world with an average wind speed of 27 km/h. The city stands on the shore of the Cook Strait. For one week in November 2012, Wellington was officially renamed the "Middle of Middle-earth".

# Some Interesting about country

- 1) New Zealand is located between Australia and Antarctica. This is one of the last significant landmasses that were inhabited by humans.
- 2) The north island has volcanoes, deserts, and tropical beaches, while the south island is covered with plains, glaciers, and mountain peaks.

# Conclusion

- 1) I have chosen the theme New Zealand, because New Zealand is an interesting country.
- 2) This problem question is very important for me, because it is currently relevant.
- 3) To my mind New Zealand is a diverse country.
- 4) My attitude to New Zealand is positive.
- 5) As for me New Zealand is a good country for tourism.
