A bit about my character

I am a countryside lover, observant, I can be straight, cooperative and able to work in a team, but I am sometimes a bit lazy and a night owl, emotional, not always cold and intolerant. I am fond of cooking. I am good at playing the guitar.

I do not like loud noise and when someone is yelling.

About my family

There are 6 people in my family: Dad, Mom, my older brother Mike, me, younger sister Diana , and the youngest-Simon. I love my family very much and I love to spend time with them.

Hobbies

I like to go hiking in the mountains with my friends. It is a lot of fun. I also have a bike and I enjoy riding on it. Fishing is one of my most favorite hobbies in summer. At winter time I go for snowboarding. I like a bit of extreme.

About me

In present time, I am a 1st year student in Maykop technological university . In the mean time, I'm planning to get a drivers license and save money for a car.

It is difficult but possible for me to get up early in the morning. But I do my exercise every day and that's one of the things I'm proud of myself.

My mottos are : “treat others the whey you want to be treated”, and “ be your self, everybody else are taken”
