

**Интерактивная игра
«Геометрические фигуры»**

Дидактическая игра «Подбери по форме»

Цель:

Закреплять представления детей о геометрических формах, упражнять в их названии. Учить подбирать к заданному образцу геометрической фигуры предмет окружающего мира похожий на данную фигуру.

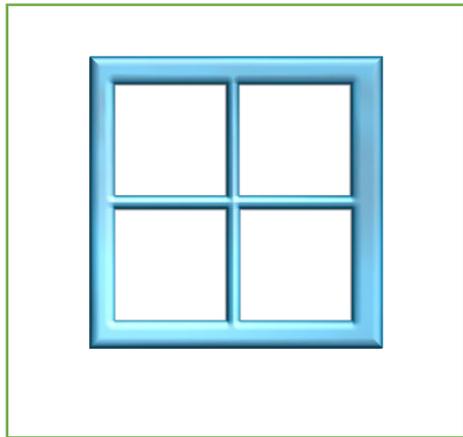

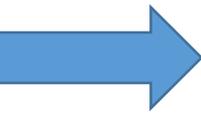

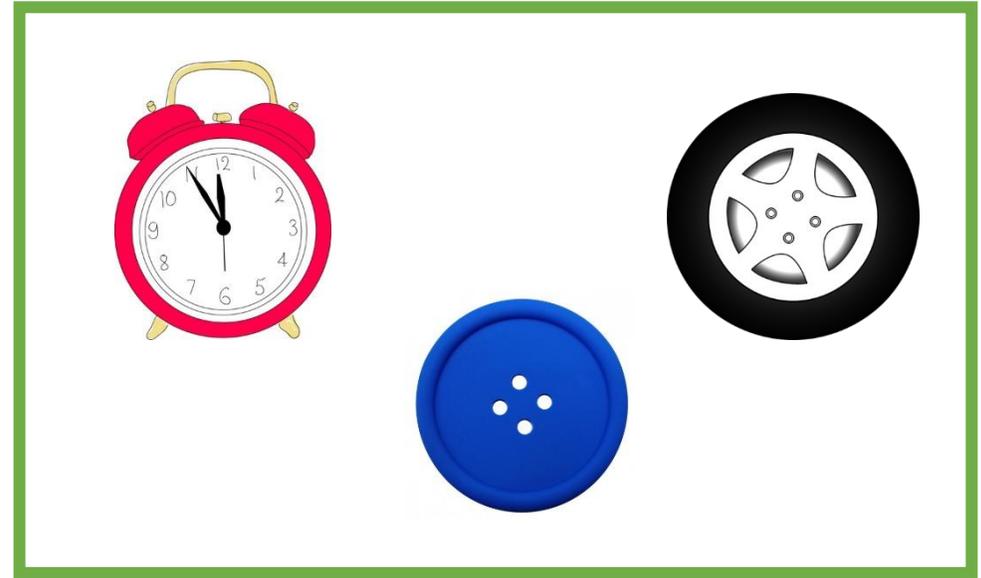

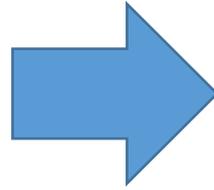

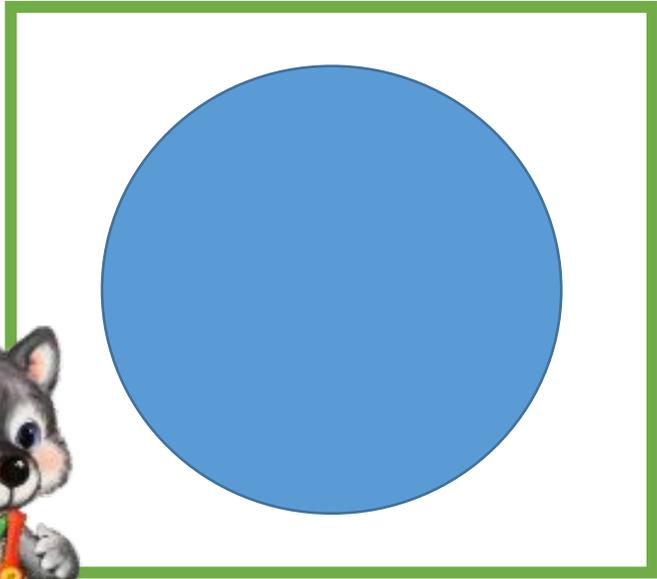

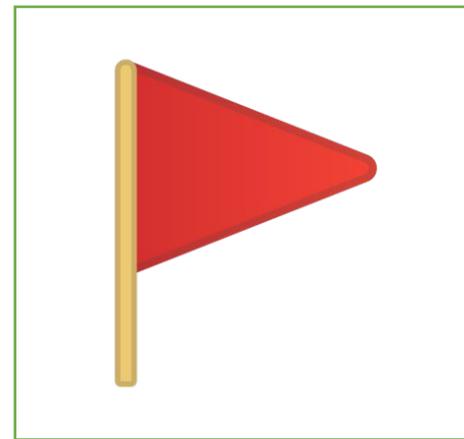

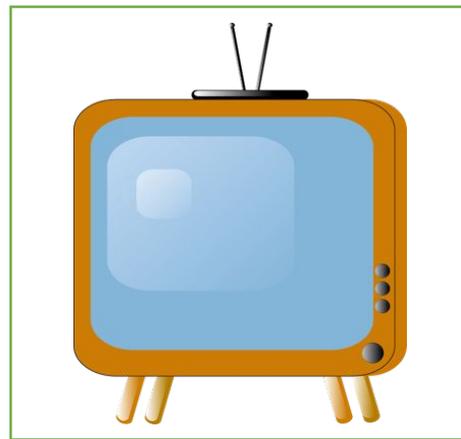

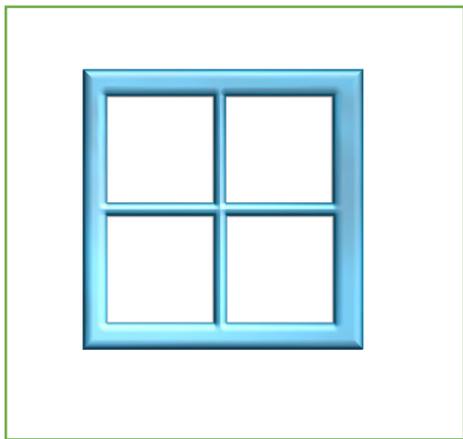

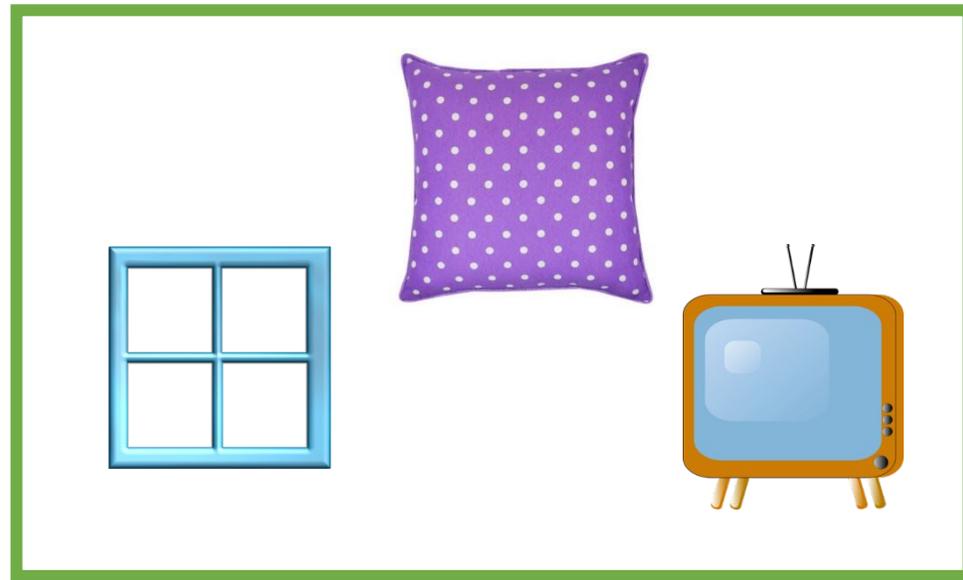

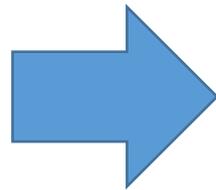

Привет!

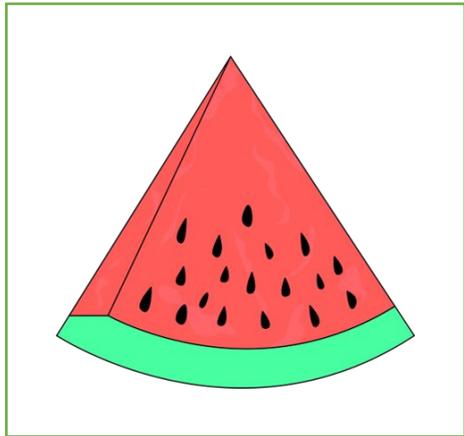

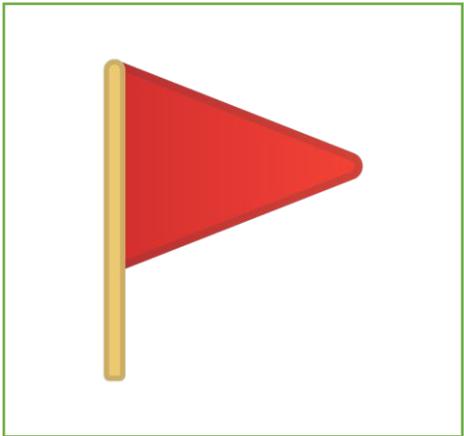

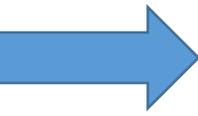

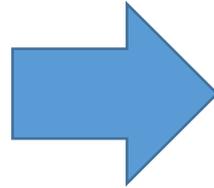

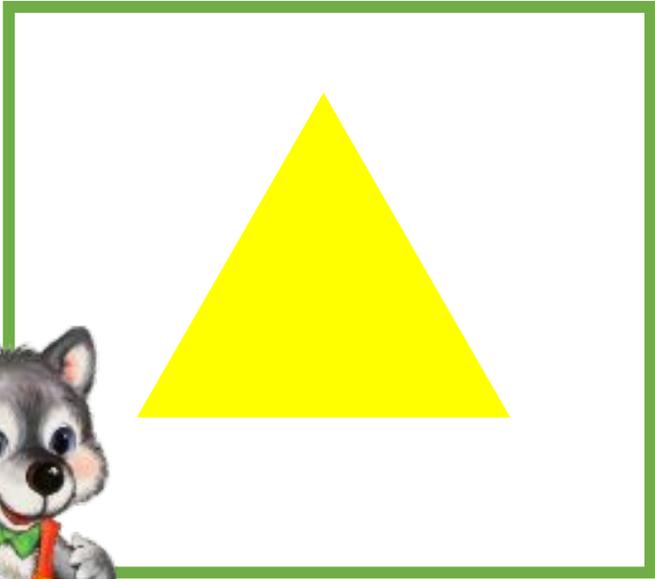

Помоги мне выполнить задание и
найти все предметы. Для этого
нажимай на предметы
соответствующей формы в нижем
