PHOTO CONTEST

TANYA

Last November my parents gave me a camera for my birthday. I started taking photos of flowers, butterflies and cats and used some of them for a school project with the Art teacher. When she saw them she told me I should take part in the school photo contest because this year's theme was 'Creatures'. I couldn't believe it when I found out my photo was chosen as the best of all!

GABRIEL

I often use my mobile to take photos when I see a beautiful landscape. My favourite subjects are sunsets, especially at sea. Last summer I took a photo of the sun going down when I was on holiday in Spain. It looked as if it was actually diving into the water! I decided to enter the school photo contest because all my friends loved it and said its colours were amazing. I didn't win any prize but the judges told me it was a lovely picture.

ALEXANDER

My uncle is a magazine photographer and I'm his greatest fan. A few years ago he gave me an old camera he didn't need any more. I had to learn how to turn film into photographs. It's not like printing them out as it takes a long time and you need a dark room and special equipment. Anyway, my father said I should enter the school photo contest with a picture I took of a spider web on a wet day. I'm glad I did because I got the second prize!

SUMMER CAMP IN EDINBURGH

by Emma Lee, age 12

I've just come back from a summer camp I did in Scotland and I'd like to tell you about it. It was my very first holiday without my family so I was a little worried at first. My mother drove me to the airport early in the morning and by quarter to seven I was on the plane by myself.

The flight lasted one hour and a half. During the journey, I made friends with another girl, Ida, who was going to the same summer camp. She was from Denmark but her English was quite good. When we arrived, we found a young lady waiting for us just outside the airport.

The summer camp only lasted twelve days, but I did so many things that it seemed much longer. In the morning we could do different activities: I really enjoy art so I chose a drawing course and improved my cartoon drawing skills. We also did sports I often do, like horse riding, table tennis and football. Ida also asked me to join the guitar course so now I can play a few songs.

When I came back a few days ago I was glad to see my family again, but I was also a little sad because I was going to miss my new friends from the summer camp. Anyway, Ida and I text each other every day and she promised she will visit me next month.

 - B glad that she was going to a new country
 - C bored because she didn't like travelling by plane
- 15 What did Emma do during the journey?
- A She chatted with her best friend, who was going to the same summer camp.
 - B She started talking to somebody on the plane.
 - C She met a young lady who worked at the airport.
- 16 How long did Emma's stay at the summer camp?
- A a few days
 - B less than two weeks
 - C 20 days
- 17 Which new things did Emma learn at the summer camp?
- A to play a musical instrument
 - B to draw cartoons
 - C to play several sports
- 18 What's Emma planning to do in the future?
- A She's going to a summer camp again next summer.
 - B She's going to text her new friend every day.
 - C She's going to meet Ida soon.

A Hey Trevor, are you going to the football practice this evening.

You will hear a teacher telling her students about a museum they are going to visit.

You will hear a teacher telling her students about a week at the Arts Centre they take part in.

Right everyone. Just some information on The Arts Centre that is open from July to September. You will leave at half past nine on the 17th and get there in about half an hour. During the week you will spend there, you will have several activities to choose from: students can do painting or drawing from 8 a.m. to midday, while after lunch those who are interested can try dancing or photography. The courses are available for students aged 11 to 15, but remember your parents have to fill in a form where they agree to let you do the courses.

During the week at the Arts Centre you will also be able to take part in weekend activities: Unfortunately we won't be able to take you to the swimming pool as we did last year but we will go on a trip to London and visit museums as well. The cost of the week, which includes accommodation and meals, is 139 pounds, so please remember to bring the money by Thursday.

You will hear Adam talking about a cooking class he did.

- A Hi Adam. Jessie told me you've decided to learn how to cook. How is the course you're doing?
- B Well, it was my mother who told me to do it. At first I thought it wouldn't be so interesting as I don't want to be a chef like her. But half an hour after the class started, I realised it was a great opportunity: you know how I love good food, so making dishes can be great fun.
- A I'm sure it was great way to spend the day.
- B It was! And being in a kitchen from morning to evening was a very interesting experience. After the first half hour when the teacher told us what to use, it took me only three hours to make a very special meal with very simple foods such as cheese, vegetables and eggs. When I got back in the evening I was really happy about the results.
- A Was the kitchen large?
- B Very large. There were 14 of us, but we had enough space to work.
- A So are you going to the course on desserts next month?
- B I'd love to, but I don't think I'll have enough time because next month I have a lot of tests. Anyway I'd like to keep working in the kitchen by myself. I'd like to try to make a meal for my vegetarian grandmother. She really loves trying new dishes so I'll see what I can do: I have an interesting cookbook with a lot of wonderful vegetable dishes!
- A Sounds great! I hope you'll invite me too.
