COOPER HEWITT

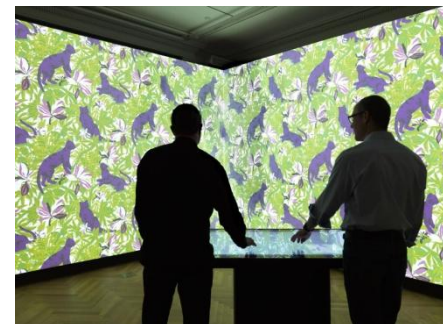

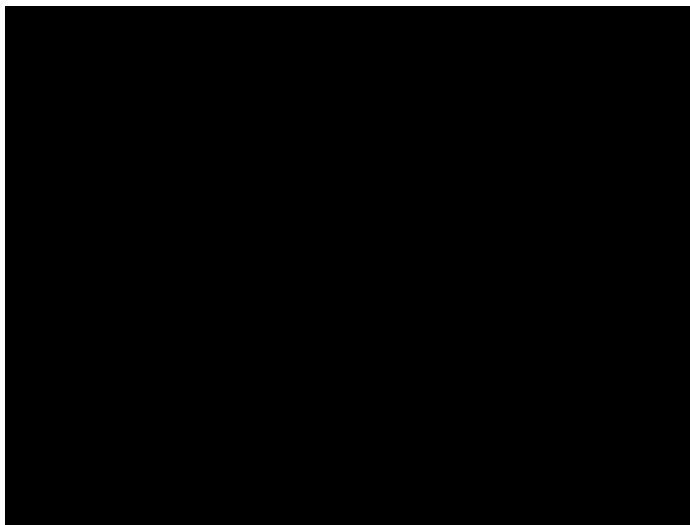

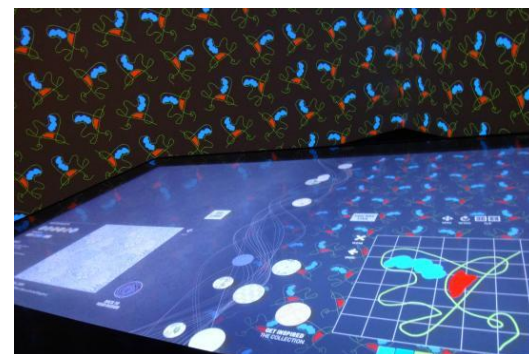

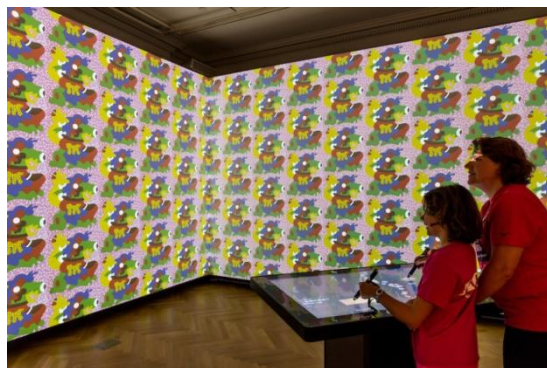

Музей дизайна Купер-Хьюитт был основан внуками промышленника Питера Купера в 1897 году; и расположен в особняке Карнеги, имеющем статус памятника архитектуры. В старинном трехэтажном доме хранятся самые разнообразные объекты дизайна, начиная от средневековых серебряных украшений и китайских вееров и заканчивая современной дизайнерской мебелью и техникой. Всего здесь 250 тысяч предметов

Collection in motion

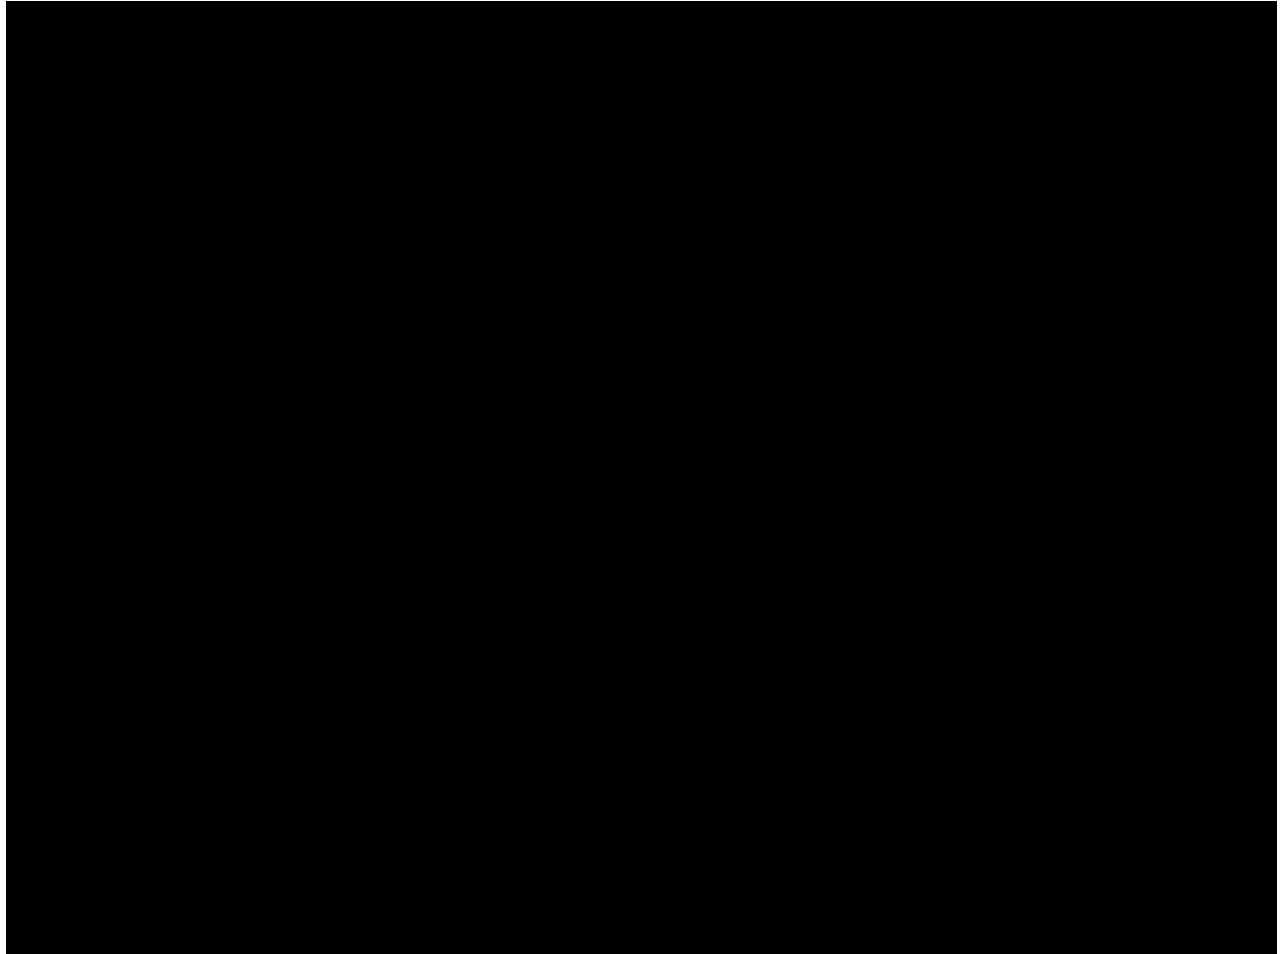

One problem, many design solutions. See several designers' approach to the problem of "saving contacts" in the pre-digital age.

Collection in motion

Check out the sights and sounds of the iconic typewriter from the Cooper-Hewitt collection, designed by Ettore Sotsass.

Collection in motion

Stefan Sagmeister's *Things I Have Learned in My Life So Far* is a book in the museum collection. Here you can see how it looks with the different cover options peeking through the holes in the slip cover. You can also see some of the photographic spreads in the book itself.
