

# 5 Brave Firefighters

*(Teach this as a spoken rhyme or choose a tune of your own.)*

1 brave firefighter, ready to save the day,  
1 said, "Call the crew!"  
Then there were 2!

2 brave firefighters, ready to save the day,  
1 more saved a cat from a tree,  
Then there were 3!

3 brave firefighters, ready to save the day,  
1 more came through the door,  
Then there were 4!

4 brave firefighters, ready to save the day,  
1 more said, "Get in, I'll drive!"  
Then there were 5!

5 brave firefighters, standing in a line,  
If you see a fire, call 999!
