

# AT THE BOTTOM OF THE SEA

*By Artem Morozov*

**START**

It has got 4 legs. There are pillows on it.  
You can relax and sleep on it.

A bed!

It has got hands. It's usually on the wall.  
People use it to tell the time.

A clock!

It's made from wood. It has got 4 legs. It's usually in the study. You can write on it.

A desk!

You can open and close it. It's the first thing you see when you enter the house.

A door!

Girls use it to color their lips and brush their hair. You can see yourself in it.

A mirror!

You turn it on if you want to listen to music  
or learn the latest news.

A radio

It's usually in the living room. People sit on it when they watch a film.

A sofa!

It's green and brown. It's in the garden. It sometimes has flowers.

A tree!

You can see it in a big house. People use it  
to go up and down.

Stairs!

Good job!
