Khanty-Mansiysk Autonomous Region

Komarova
Natalia
Vladimirovna

On December 10, 1930,
the Ostyako-Vagulsky
(Khanty-Mansiysk)
National Okrug was
formed, with the center of
the village.

Samarovo (The city of
Khanty-Mansiysk)

in 1977 received
the status of
“**autonomous**”

Charter, coat of arms, flag and hymn of KhMAO - Ugra

Our okrug — our grizzled hero
His spirit revived majestically,
With support by Russia — Urals
and Siberia!

Proud Yugra on the right!

The many faces of Yugra,
Of great works
Progress with inspiration!
We are writing the history
Of the beloved Yugra
And the people of Yugra!

Beneath the sky is our Siberian land
With wealth from land to land,
We have found the wings of hope here,
The Yugra is forever praising!

The many faces of Yugra,
Of great works
Progress with inspiration!
We are writing the history
Of the beloved Yugra
And the people of Yugra!

Yugra — you're our beautiful home,
There are always people who appreciate,
And our tenacity, and our labor
You thrive on the age of the century!

The many faces of Yugra,
Of great works
Progress with inspiration!
We are writing the history
Of the beloved Yugra
And the people of Yugra!

... And now I want people to give the order:
All living things ... living forever to give,
All that is in the waters,
Let him swim forever,
Beasts, birds let them rush endlessly.
On the ground do not disturb their people,
Save NATURE forever.
Yes, lives and is stored NATURE!
Do not give grandsons grief,
Give your descendants EARTH,
Immaculate, as in the beginning.
