

# HI, HELLO, PRIVET!1!!1

Велкам ту май презентейшн

# Today I would like to compare these two dudes!!!1!

To make it MORE convenient for us, we will call the dude on the left Jimmy

And the dude on the right Jeembo

# Let's start dudes!!1!

you probably already noticed that they both have glasses. but have you noticed that Jeembo has **MORE COOL** glasses??

damn i want those glasses too -

- Thx, bro

damn, bro, this look pretty cool!!!

and so we realized that Jimbo's glasses are **MORE COOL**, but it's time for us to consider Jimmy

- It's time to college

we see that Jimmy has a lot of books, so he is **smarter** than Jimbo. He is also **smaller** than Jimbo. But Jimmy does not thaw and learns, which means Jimmy is **more** purposeful

STFU -

So, it was a presentation on the topic of **comparatives**. study well and you will be cool like Jimmy!11!!

- bb dudes!!
