

The 14th of September

Quiz 2

**February brings the rain,
Thaws the forest lake
again.**

A close-up, low-angle shot of rain falling onto a wet, dark surface. The foreground is covered in numerous small, glistening water droplets and larger puddles that reflect the ambient light. In the background, a dense layer of green foliage is visible, slightly out of focus, creating a bokeh effect with soft, circular light spots. The overall atmosphere is fresh and serene, capturing the moment of rainfall.
