Working with cards on the floor, “Zombie game”

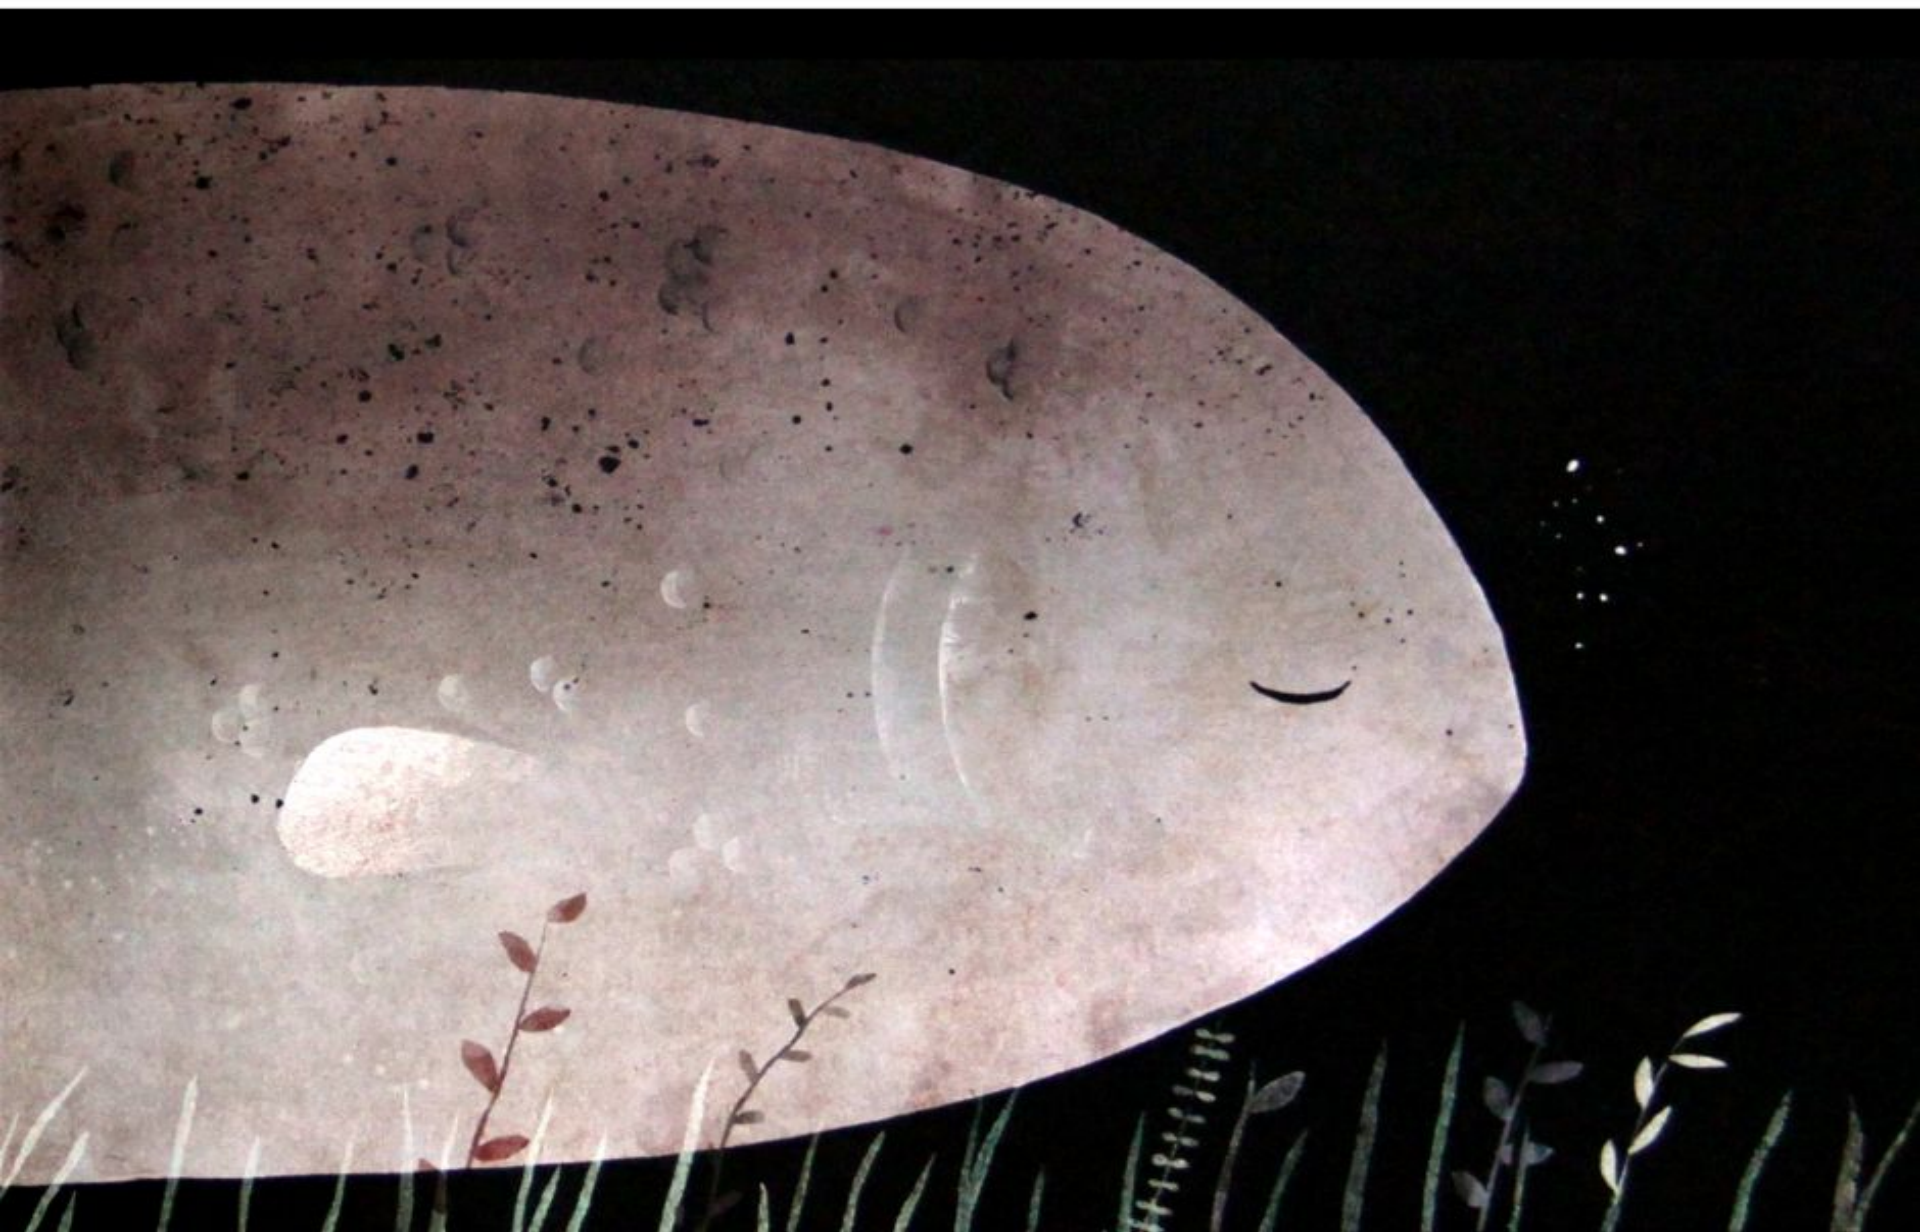

A fish has stolen
a hat. And he'll
probably get
away with it.

I stole it from a big fish.

He was asleep when I did it.

And even if he does notice that it's gone,

And even if he does guess it was me,

he won't know where I am going.

There is someone who saw me already.
But he said he wouldn't tell anyone
which way I went.

Nobody will ever find me.
