ons
rate governance is very much an evolving area. In the past, it has been driven by the need to restore investor confidence in a system where the public has been less than forthcoming in seeking reform. It is to ensure that those who are more accountable, that qualified independent non-executives in them.

What books do you prefer?

- Myth - миф
- Adventure - приключения
- A suspense story - захватывающий рассказ
- Mystery - детективный рассказ
