

# **WELCOME TO NITYPLAND**

BEST ENTERTAINMENT CENTER

# WELCOME TO NITYPLAND

best entertainment center

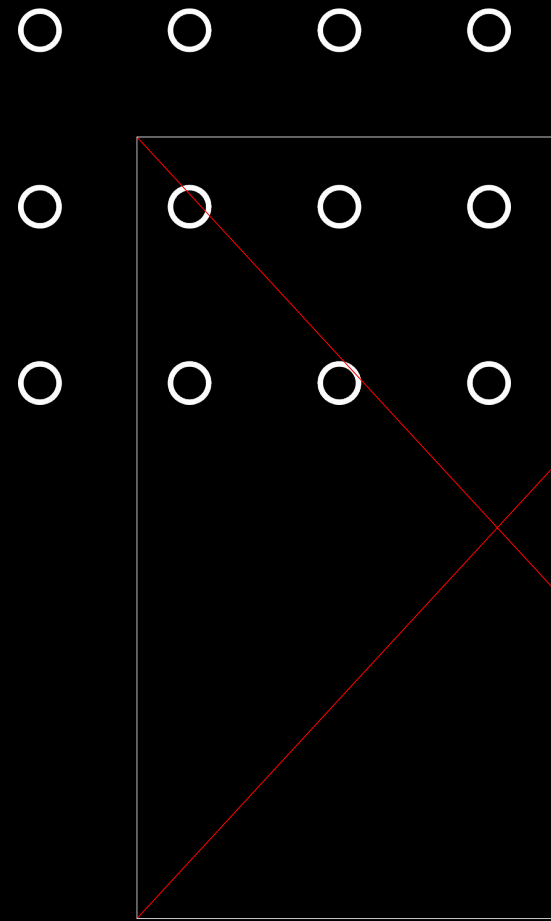

in this entertainment center, you will definitely not get bored. Here you will find something to do, to make sure of this, let us introduce you to its innards.

# SWIMMING POOL

the pool is made for those who like to relax and swim, our pool is large and you will be comfortable in it. It works around the clock, and you can also rent it

# CINEMA AND A THEATER

we also have a movie theater and a theater where you can always watch a movie or a play. It is open on weekends, but you can pre-book it

sports center and ice  
palace

if you are a sports fan then we have a sports center as well  
as an ice palace which is located underground  
in the ice palace you can always skate or play hockey

for nature lovers, we have grape fields where you can take a walk and see how the grapes grow. You can also view the process of its processing

# BILLIARDS

if the weather is bad outside, you can stay in the building and play billiards. It works around the clock, in the presence of a couple of tables at which, and you can play with your friends, or find them for yourself

archetype

the building itself has a beautiful finish. Much is made of gold which adds to the high cost. The building is designed in the Baroque style, has a lot of exclusive furniture and decorative elements
