# IS THIS YOU FIVE YEARS FROM NOW?

When tempted to over-indulge

"Reach for a Lucky instead"

Be moderate—be moderate in all things, even in smoking. Avoid that future shadow\* by avoiding over-indulgence, if you would maintain that modern, ever youthful figure. "Reach for a Lucky instead."

**Lucky Strike**, the finest Cigarette you ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." **Lucky Strike** has an extra, secret heating process. Everyone knows that heat purifies and so 20,679 physicians say that **Luckies** are less irritating to your throat.

## "It's toasted"

Your Throat Protection—against irritation—against cough.

\*We do not say smoking **Luckies** reduces flesh. We do say when tempted to over-indulge, "Reach for a Lucky instead."

# Be Happy- Go Lucky!

Come join me at the Mardi Gras  
In dear old New Orleans,  
Where Kings who know tobacco best  
Give Luckies to their Queens!

Enjoy your cigarette! Enjoy truly fine tobacco that combines both perfect mildness and rich taste in one great cigarette - Lucky Strike!

*Perfect mildness?* You bet. Scientific tests, confirmed by three independent consulting laboratories, prove that Lucky Strike is milder than any other principal brand.

*Rich taste?* Yes, the full, rich taste of truly fine tobacco. Only fine tobacco gives you both real mildness and rich taste. And Lucky Strike means fine tobacco. So enjoy the happy blending that combines perfect mildness with a rich, true tobacco taste. Be Happy—Go Lucky!

## L.S./M.F.T.-Lucky Strike Means Fine Tobacco

I ski right off the highest jumps.  
And never take a spill,  
But I prefer a Lucky Strike  
To really get a thrill!

I strut my stuff upon a stage  
And thousands praise my name  
But praise for Lucky Strike, I fear,  
Puts all my praise to shame!
