

1

The vision of the teacher

The teacher is to renew himself/herself

2

enhance
his/her
capability
in his/her
field

The
best
moralit
y

The
best
mood

In his/her field

3

- **To be a perfectionist**
 - **to search for more and more**

In his/her field

4

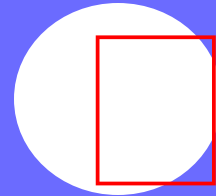

- **To utilize new and recently updated knowledge**
- **To believe in what being taught and have the students believe in, too.**

morality

9

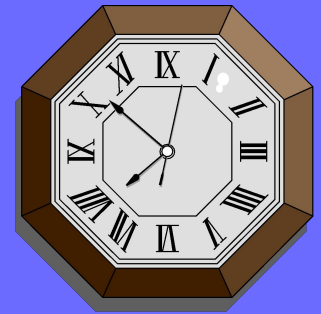

**The effect of your words
depend on
the morality you have**

***Your words and
behaviors must match***

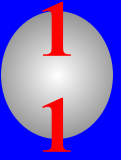

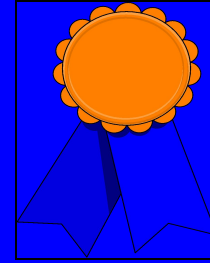

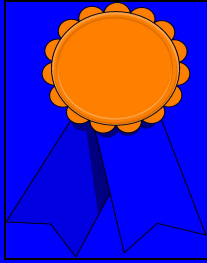

***Keep the promise
you make***

Be extremely punctual

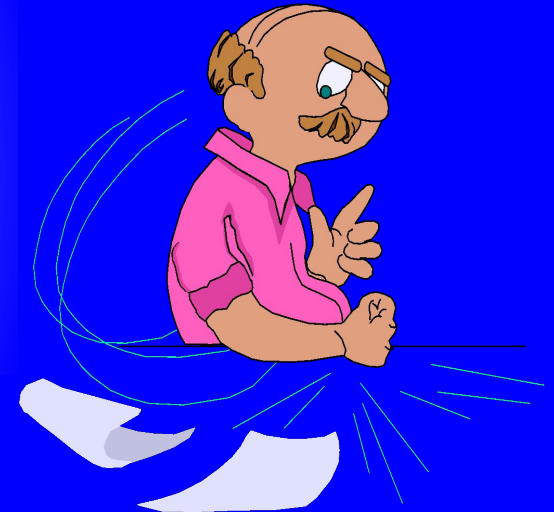

**Be nice and avoid
using harsh language**

•Everybody is valuable

•Do not easily get angry.

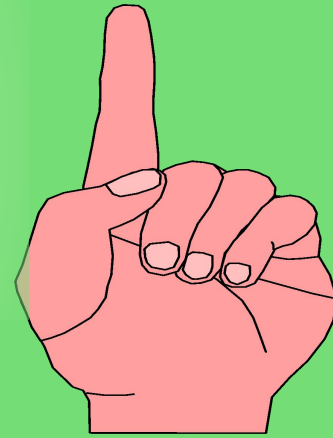

• **Be the best model
ever for your students**

• **You are the sample in front
of the students**

- Avoid from prejudices

- Have good friends so you may advice them to have good ones too

•be optimistic all the time

“the way you look at it is the
way you see it,
so be positive”

- **Be determined**

- **Compromise**

- **be the one who gives**

Smile, smile, smile
