

A vibrant, cartoon-style illustration of a magical forest. The scene is dominated by several houses with tall, conical purple roofs and white walls, built on the stumps of cut trees. A prominent house on the left has a purple staircase leading to its entrance. A winding path made of yellow stone tiles leads through the forest. In the foreground, there are several red mushrooms with white spots growing on a tree stump. The background is filled with lush green trees and foliage, with a few colorful balloons (orange and yellow) floating in the air. The overall atmosphere is whimsical and enchanting.
