Traditions

- On this **day**, teachers and students report to school as usual but the usual activities and classes are replaced by activities of celebration, thanks and remembrance.
- **Teachers' Day** is a special day for the appreciation of teachers, and may include celebrations to honor them for their special contributions in a particular field area, or the community in general.

Traditions

- **The students bring gifts for their teachers to show thanks.**
- **The school in its turn makes an honoring party and brings for them cake and gives them medals.**

Attitude of Youth towards Teacher's day

- **Students usually enjoy these day with much happiness, they spend it with happy times, and this day is very special for them .**
- **This day is used to express feelings of love and appreciation for the teachers.**

Other aspects:

- It is a motivation for the teacher to provide the best and it has a moral value. The teacher feels the importance of what he does as well.

Conclusion:

- Wishing for all the teachers **joy** and **happiness**, you are our amazing teachers, and you only deserve the best. You are the spark, the inspiration, the guide, the candle to my life. I am deeply thankful that you are my teacher. Books, sports, homework and knowledge, you are the pillar of our **success** and in the classroom you are the best.
