The mermaid swims  
in the water.

The mermaid floats  
in the water.

The mermaid dances  
in the water.

The mermaid jumps  
out of the water.

The mermaid hides  
behind a rock.

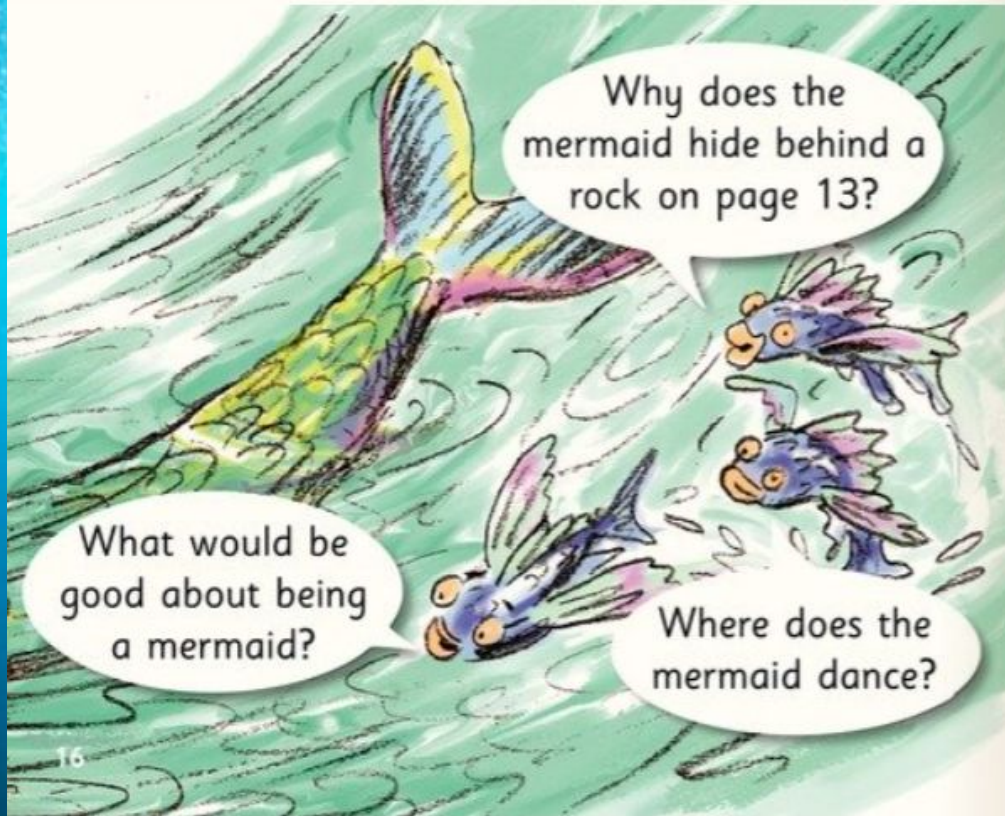

The mermaids play  
hide and seek.

What would be  
good about being  
a mermaid?

Why does the  
mermaid hide behind a  
rock on page 13?

Where does the  
mermaid dance?
