

The Mermaid

Written by Lisa Thompson

The mermaid dives
into the water.

The mermaid swims
in the water.

The mermaid floats
in the water.

The mermaid dances
in the water.

The mermaid jumps
out of the water.

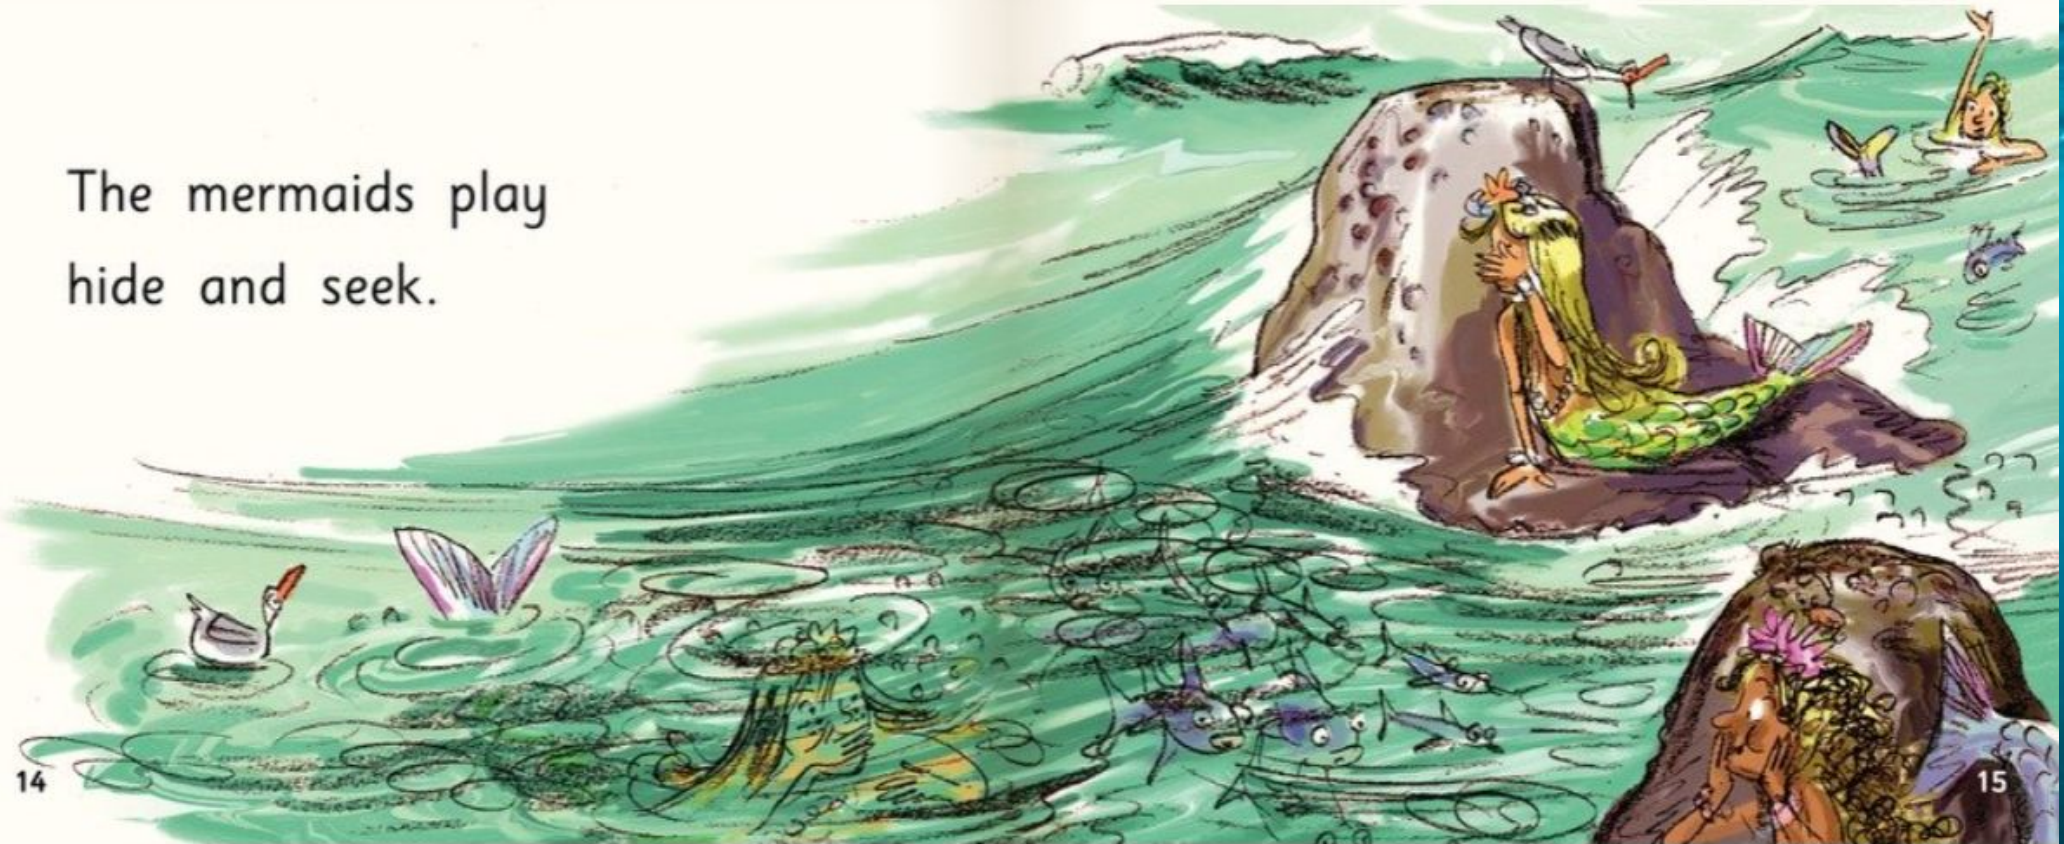

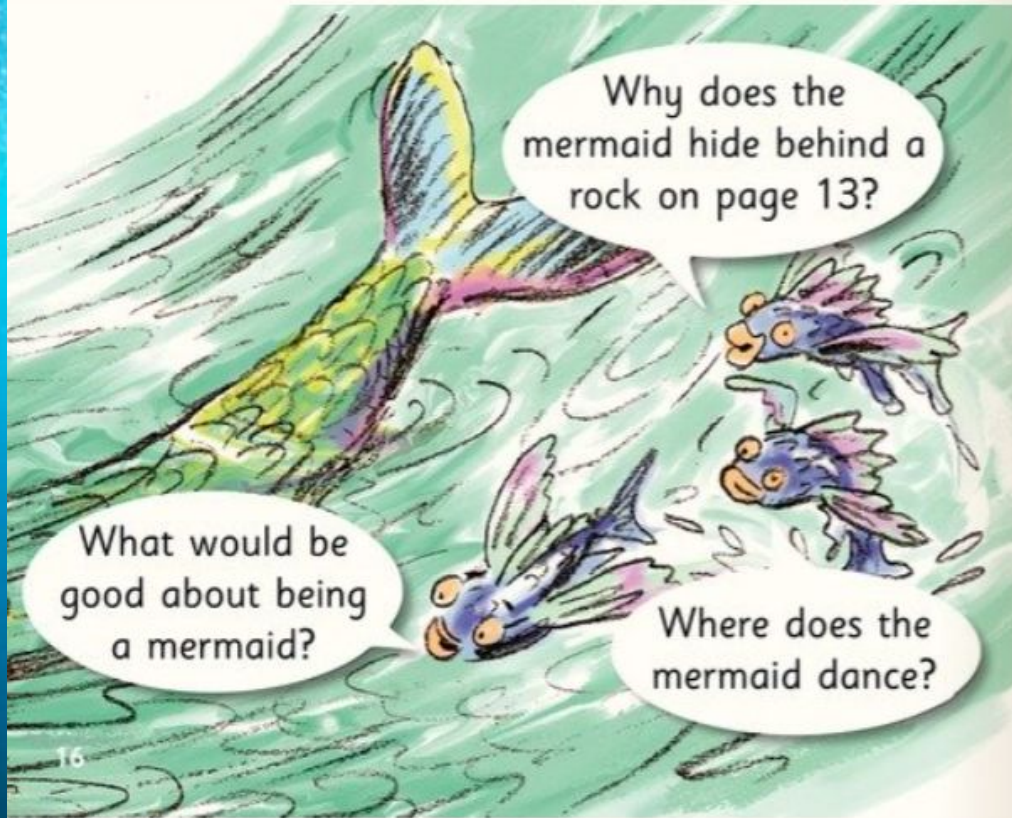

The mermaid hides
behind a rock.

The mermaids play
hide and seek.

Why does the mermaid hide behind a rock on page 13?

What would be good about being a mermaid?

Where does the mermaid dance?
