Motorboat

A vibrant, child-friendly collage featuring a variety of vehicles and smiling faces. At the top, a green banner with the word "Motorboat" in bold red letters is centered. Below the banner, several large, overlapping circles in various colors (yellow, blue, pink, green, orange, purple, red) are arranged in a cluster. Each circle contains two small dots for eyes and a simple curved line for a smile. Surrounding these central faces are numerous small, colorful illustrations of different types of vehicles, including cars, trucks, buses, motorcycles, bicycles, sailboats, and airplanes, all rendered in a simple, cartoonish style. The background is white, making the colorful elements stand out.
