

IF YOU GIVE A MOUSE A COOKIE

BY LAURA NUMEROFF

If you give a mouse a cookie, he is going to ask for a **glass of milk**. 

**When you give him the milk, he
will probably ask you for a
straw.**

When he's finished, he'll ask for a
napkin.

Then he will want to look in the **mirror** to make sure he doesn't have a milk mustache.

When he looks into the mirror, he might notice his hair needs a trim. So he will probably ask you for a pair of nail **scissors**.

When he's finished giving himself a trim,
he'll want a **broom** to sweep up.

He'll start sweeping. He might get carried away and sweep every room in the house! He may even end up washing the **floors as well.**

When he's done, he will probably want to take a nap. You will have to fix up a little box for him with a **blanket** and a pillow.

He'll crawl in, make himself comfortable and fluff the pillow a few times. He'll probably ask you to **read him a story.**

So you'll read to him from one of your **books**, and he'll ask to see the pictures. When he looks at the pictures, he'll get so excited, he'll want to draw one of his

He'll ask for paper and **crayons**.

He'll draw a picture. When the picture is finished, he'll want to sign his name with a **pen**.

And then, he'll want to hang his picture on your refrigerator. Which means, he'll need scotch **tape**.

He'll hang up his drawing, and stand back to look at it. Looking at the refrigerator will remind him, that he's thirsty. So he'll ask for a glass of **milk**.

Chances are, if he asks for a glass of milk,
he'll want a **cookie** to go with it.

THE END.
