

The best moments)

We love you!

This year was fun)

Lessons... 😞

WHEN WE COME TO PIONEER WE ARE VERY SAD
BUT WHEN WE START OUR LESSON IT STARTS
FUN EVEN WITHOUT JOKES WHEN WE COME TO
PIONEER EVERYONE SMILES AND WE ALSO
WANT TO SMILE...)))

we play in class but not in phones.
we have a prison for them and this
is the worst thing that could be
here.

at the end of the class we sing
songs

we take certificates

Interesting....

the most interesting thing at homework (Yes, they have something interesting) is when we are given to make a presentation or video

The end of year(

of course we all want to quickly
passed the school year ,but not
always because in a year there are
interesting moments and funny
.unfortunately this year has come to
an end and begin a new and here we
have a graduation we wrote a test
and now I'm afraid well I hope for the
best)....
