

A colorful illustration of a zoo or park landscape. In the foreground, there's a green grassy field with a black fence. To the left, a wooden signpost with three arrows points in different directions. In the middle ground, there's a large tree on the left and a smaller one on the right. In the background, there are rolling hills, a blue sky with light clouds, and a structure with two orange flags flying. The title 'STRANGE ANIMAL' is written in large, white, bold, sans-serif capital letters across the center of the image.
