

Gorodets painting

Performed: Maria Svinareva

Gorodets painting appeared in the city of Gorodets of the Nizhny Novgorod province.

Gorodets painting features free brushstrokes with white and black graphic strokes. As a rule, all the elements painting are made of red, pink, blue, blue, green and black colors on a bright yellow background.

The most famous hand products were Gorodets spinning wheels. It was from them that the famous Gorodets painting was spread.

Gorodets painting differs in that it has a plot. Masters loved to depict walks of cavaliers with ladies, horsemen, tea drinking scenes, and many other scenes from folk life.

Gorodets painting is quite difficult to confuse with another. The painting has a large number of plant motifs. These are lush garlands, bouquets of flowers resembling roses and daisies.

ГОРОДЕЦКИЕ ЦВЕТЫ

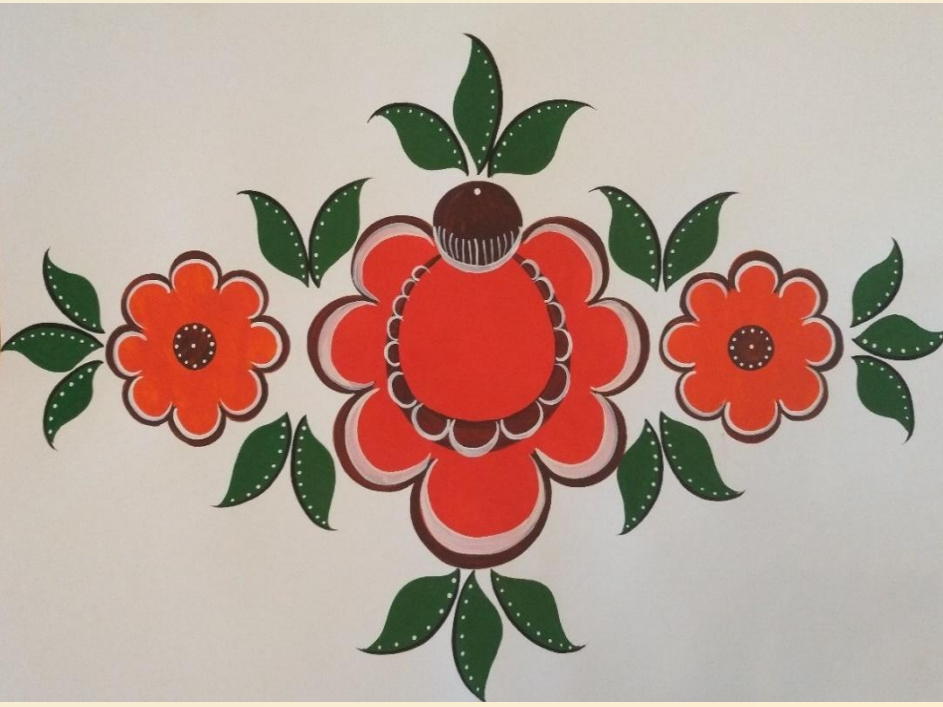

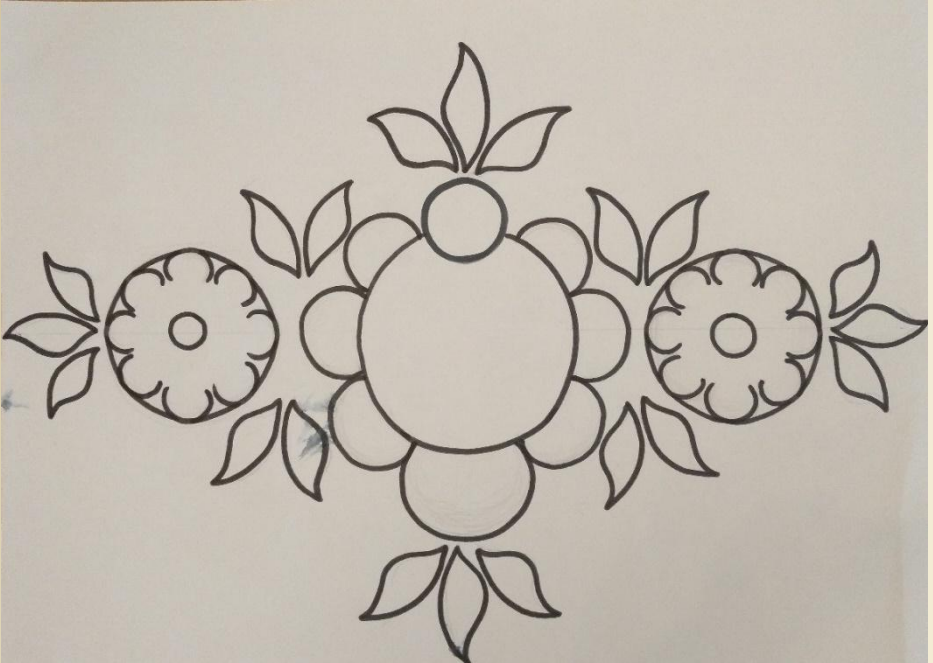

The painting has a large number of birds that amaze with their beauty.

Also in the painting you can find both fabulous and real animals. Such as lions, horses, bears and even the mountain snake.
