Listening

- I** You are going to listen to five people talking about different aspects of the environment. Decide what each speaker's purpose is.

Speaker 1 is *explaining/denying* something.

Speaker 2 wants to *persuade/entertain* people.

Speaker 3 is *denying/complaining about* something.

Speaker 4 is trying to *persuade/entertain* people.

Speaker 5 wants to *explain/deny* something.
