Look out there! What do you see?

1
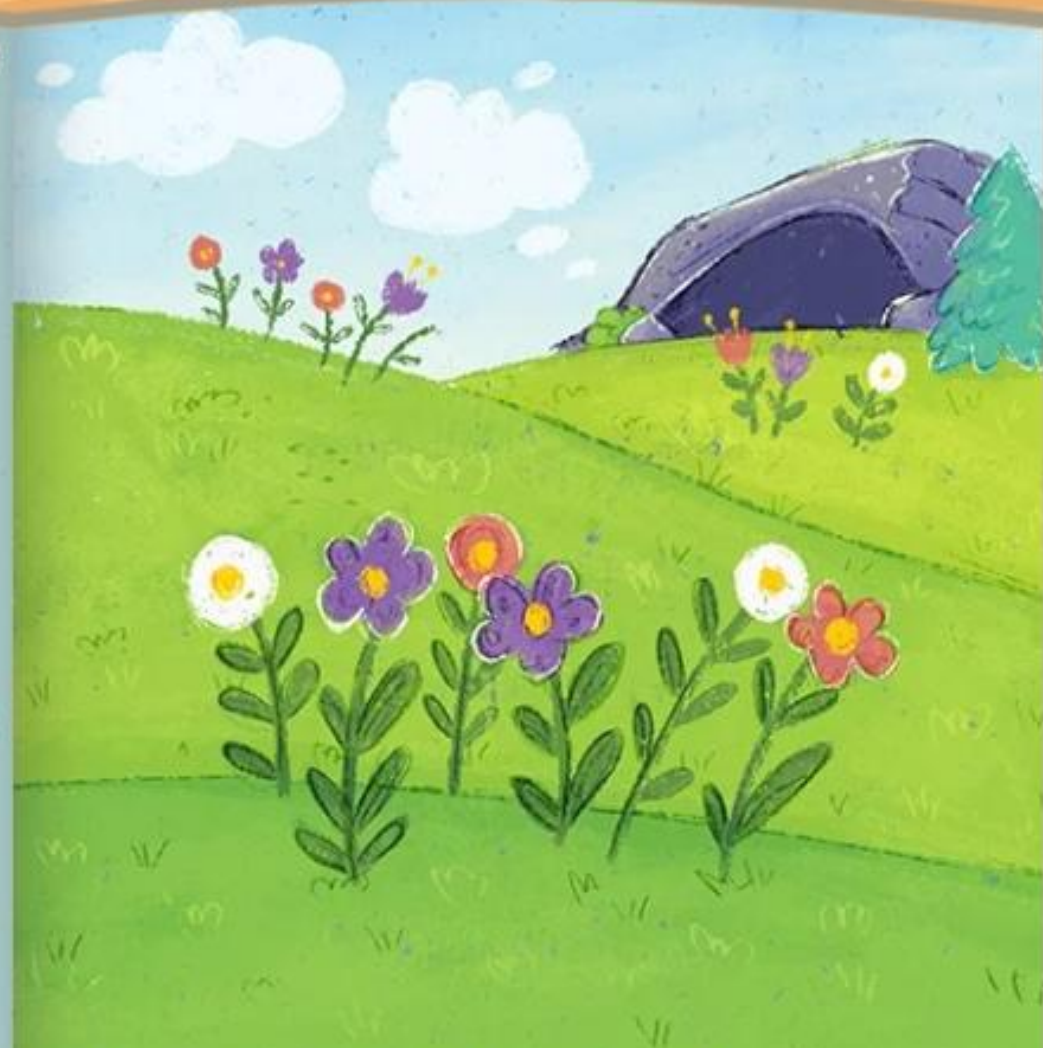

It is spring. It is raining. In spring we see new leaves.

2

Look out there! What do you
see?

3

It is summer. It is hot. In
summer we see flowers.

4

Look out there! What do you see?

It is fall. It is cool. In fall leaves are all around.

Look out there! What do you see?

It is winter. It is snowing. In winter animals are sleeping.

In each season you see so many different things.

Which season do you like best?

Look out your window. What do you see?

The End
