A brass padlock is centered in the background against a blue gradient. Overlaid on the padlock is a white rectangular area containing a numeric keypad. The keypad consists of two rows of five red square buttons with rounded corners. Each button contains a white digit. The top row contains the digits 1, 2, 3, 4, and 5. The bottom row contains the digits 6, 7, 8, 9, and 0. Small red vertical lines are positioned between the buttons in each row, and a thin white horizontal line runs through the center of each button.
