

Innovative Slippers

Idea: Yana Kuznetsova
Creator: Dima Botenkov

Entry

There was an idea of
this thing with the help
of Dima's imagination,
which I asked about
what thing to write :)

Drawing and explanation of things

Red yellow and black buttons

Red: turning on the massager for heels

Yellow: warm up soles

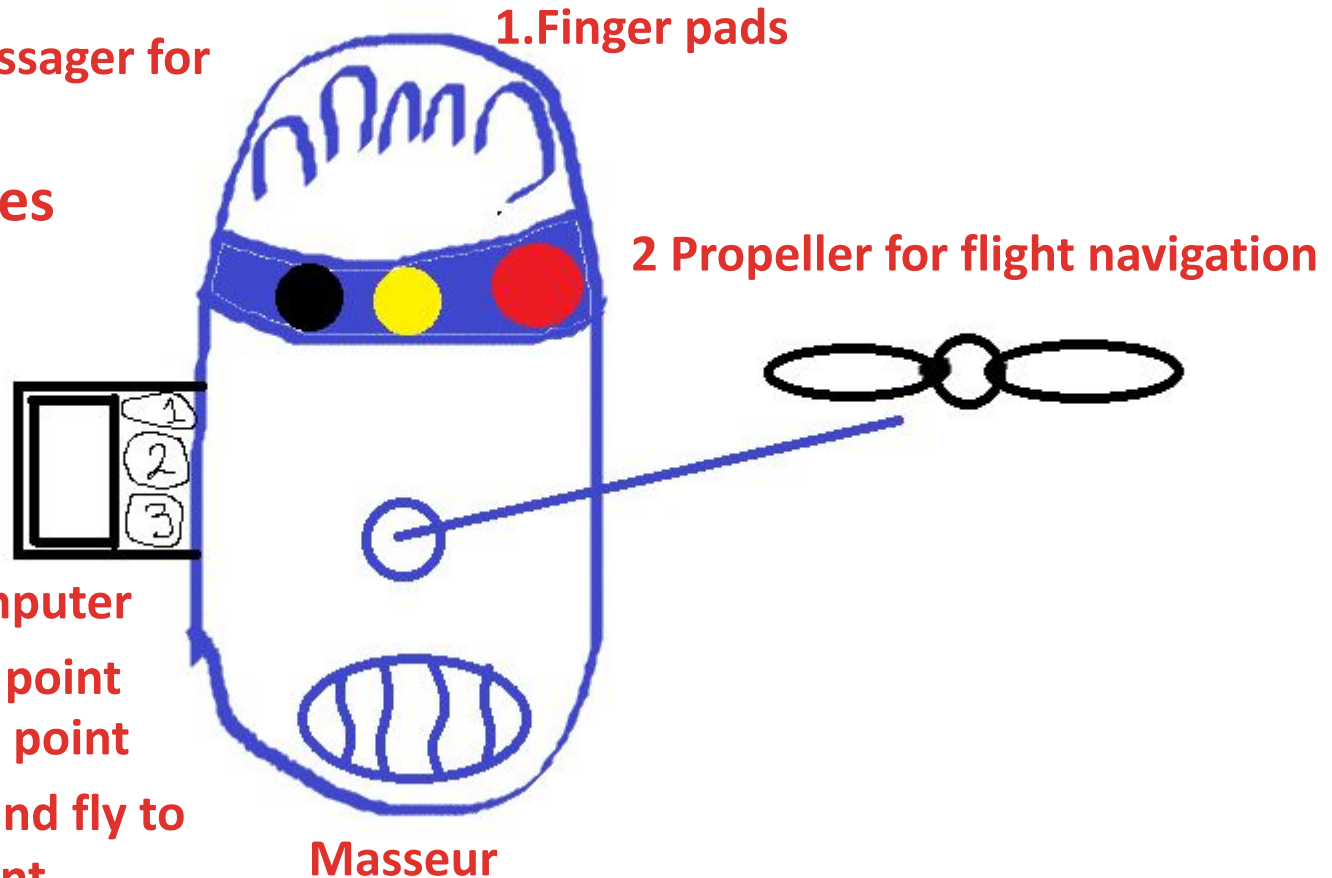

Black: start the navigation computer

The buttons on the computer

1. Creating a navigation point

2. Confirm confirmation point

3. Launch the propeller and fly to the confirmed point

Advertising
