A house-shaped grid with a triangular roof and a rectangular body. The roof contains the number 7. The body is divided into six rectangular cells in a 3x2 grid. The top-left cell contains the number 1, the middle-right cell contains the number 5, and the bottom-left cell contains the number 3. The top-right, middle-left, and bottom-right cells each contain a solid pink circle. To the left of the house, there are 15 apples arranged in three rows: the top row has 7 apples (3 red, 4 green), the middle row has 7 apples (2 red, 5 green), and the bottom row has 7 apples (3 red, 4 green). To the right of the house is a smiling sun with a face, wearing a floral headband and holding a small pink flower. Below the house, a red pencil character with a face and arms holds a yellow pencil. Next to it is a girl with a thinking expression. To the right of the girl is a brown owl wearing a graduation cap and glasses, holding a book and pointing towards the house.
