The background is a colorful illustration of a house with purple roofs and windows. Two bare, black trees stand on either side of the house. In the foreground, there are two glowing jack-o'-lanterns and a black ghost silhouette. The text 'Super Simple Learning' is written in a playful, rounded font, with 'Super' in blue, 'Simple' in purple, and 'Learning' in blue. A registered trademark symbol (®) is at the end of 'Learning'. The text is set against a white, cloud-like background.
