FREEDOM

Attention!

- Everything that written here is an absolutely accurate author's opinion! Listen to it!
- 

Freedom- is an extremely difficult thing for understanding, because of it's affection on unprepared people.

Everybody want feel soft freedom's breath, but is it really so good?

- I can not disagree, that freedom is very good thing for all of us...

But to many freedom may
destroy your sanity!

If person gains too many freedoms, his feeling of responsibility disappears with time!

And if you are too unresponcible, you start destroying society.

What I want to say?

- I want to tell you, people, that you have to be careful with your wishes. Especially with wishes about freedom.
- 

The end?

The end ?
