Молодцы!

A watercolor illustration of a birch forest. The scene is viewed through a narrow opening between several birch trees in the foreground. The trees have characteristic white bark with dark, horizontal lenticels and vertical fissures. In the background, a stream flows through a lush, green landscape. The water is depicted with light blue and white washes, reflecting the sky and surrounding foliage. The overall style is soft and painterly, with visible brushstrokes and a vibrant color palette of greens, blues, and whites. The word "БЕСНА" is overlaid in the center in a bold, yellow, sans-serif font.
