Huawei Certification Map

Certification Category	Certification Paths		Associate	Professional	Expert
Platform and Service Certification	Enterprise Communication	UC	HCIA-Unified Communication	HCIP-Unified Communication	HCIE-EC
		VC	HCIA-Video Conference	HCIP-Video Conference	
	Cloud Computing		HCIA-Cloud Computing	HCIP-Cloud Computing	HCIE-Cloud Computing
ICT Infrastructure Certification	Data Center		HCIA-Data Center	HCIP-Data Center	HCIE DC
	Data Center Facility		HCIA-Data Center Facility	HCIP-Data Center Facility-BFDO	
	Storage		HCIA-Storage*	HCIP-Storage*	HCIE-Storage
	Routing & Switching		HCIA-Routing&Switching*	HCIP-Routing&Switching	HCIE-Routing&Switching
	WLAN		HCIA-WLAN	HCIP-WLAN	
	Security		HCIA-Security	HCIP-Security	
	Transmission		HCIA-Transmission	HCIP-Transmission	
Specialist certification	HCS-Field-Server				
	HCS-Field-UPS				

***Exam available both in English and Russian language**

- HCIA, HCIE R&S training materials available in Russian language by the end of April
- Storage and Cloud training materials will be translated into Russian in H2

Table of Product Training Matching with Certification

Product training
matching

Below is the list of the most frequently asked training courses. Full list of courses is presented in the attachment.

Field	Product	Product training	Certification training	Exam
Routing and Switch	S-Switch	Настройка маршрутизаторов и коммутаторов Хуавэй	HCIA-R&S HCIP IERS HCIP IENP HCIP IEEP	H12-211 HCIA-R&S H12-221 HCIP IERS H12-222 HCIP IENP H12-223 HCIP IEEP
	AR Router			
	Ne Router			
WLAN	AC	WLAN Essential Operation and Maintenance Training	HCIA-WLAN	H12-311 HCIA-WLAN
UC	Huawei SE1000 Deployment and Maintenance Training		HCIA-UC	H11-811 HCIA-UC
	Huawei eSpace UC System Configuration and Operation Training Course			
VC	Video Conference System (Terminal/MCU/SMC/RSE) Operation and Maintenance Training		HCIA-VC	H11-851 HCIA-VC
Server	E9000	E9000 Server Elementary Training-Deployment and Management	HCS-Field-Server	H20-651 HCS-Field-Server
	RH V3	FusionServer RH V3 Series Rack Server Deployment and Management Training	HCS-Field-Server	H20-651 HCS-Field-Server
	RH V5			
Storage	OceanStor V5	OceanStor V3(2200/2600/5300/5500/5600/5800/6800) storage system Deployment and Management Training	HCIA-Storage, HCIP-Storage-CCSN	H13-611 HCIA-Storage H13-621 HCIP-Storage-CCSN
	OceanStor Dorado V3	OceanStor Dorado V3(5000/6000) storage system Deployment and Management Training	HCIA-Storage	H13-611 HCIA-Storage
	OceanStor 9000 V3	OceanStor 9000 Storage System Deployment and Management Training	HCIP-Storage-CCSS	H13-622 HCIP-Storage-CCSS

Training Schedule

Below you can find the nearest training dates.

For detailed training schedule for this year please refer to 2019 Schedule

2019 Schedule

Domain	Training name	Start date	End date
Enterprise networking	HCIA_R&S Intermediate. Использование сетевого оборудования Huawei. Часть 2	25.03.2019	29.03.2019
Enterprise networking	HCIP-R&S-IENP.Improving Enterprise Network Performance / Повышение производительности корпоративной сети на оборудовании Huawei	25.03.2019	29.03.2019
Enterprise networking	HCIA_Fast_MT. Ускоренный апгрейдный курс подготовки специалиста Huawei по технологиям и оборудованию передачи данных. Базовый уровень	01.04.2019	05.04.2019
Enterprise networking	HCIP-R&S-IEEP.Implementing Enterprise Network Engineering Project / Проектирование корпоративных сетей связи	01.04.2019	05.04.2019
IT (Storage&server/Cloud computing)	Huawei Certified ICT Professional - Constructing Converged Storage Network	25.03.2019	29.03.2019
IT (Storage&server/Cloud computing)	Huawei Certified ICT Professional - Constructing Cloud Storage Solution	01.04.2019	05.04.2019
IT (Storage&server/Cloud computing)	Huawei Certified ICT Associate - Build Storage System Network	01.04.2019	05.04.2019
IT (Storage&server/Cloud computing)	Huawei Certified ICT Professional - Construct Data Protection System	08.04.2019	12.04.2019
Network energy	HCS-Field-UPS	01.04.2019	04.04.2019
Network energy	Huawei Certified ICT Professional-Data Center Facility-Build Facility Deployment Optimization	08.04.2019	17.04.2019
ECC	HCIA-VC.Комплексный курс подготовки специалиста Huawei по технологиям и оборудованию видеоконференцсвязи. Базовый уровень.	08.04.2019	12.04.2019
