UNIT 6

GREECE

ATHENS YOUTH OLYMPICS

Underline all the sports

Do they compete in the same sports competitions as those in the Olympic Games?

The Athens Youth Olympics haven't got all the competitions that are at the Olympic Games for adults.

What kinds of sports have they got?

They've got breakdancing, table tennis, tennis, triathlon, volleyball, netball, roller speed skating, sailing, golf, field hockey, handball, gymnastics and many more.

Futsal is their most popular sport. It's like football, but it's indoors and there are fewer players. Do you want to practise with your new school's futsal team in the afternoons? You could learn a lot from them.

Yes! That sounds great!

I'm really happy to hear that. I volunteered to be the assistant swimming coach for the athletes that are taking part in the triathlon.

What can I do to help?

I thought you could sort out the equipment and then prepare the prizes. We also need to help prepare the podium and the medals.

gold silver bronze

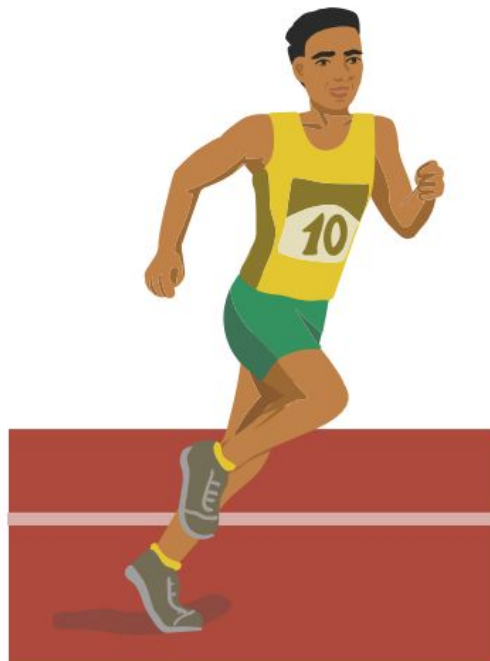

Next Sunday, they will start the torch run. Athletes, police officers and firefighters light the flame on the torch. Then they all run together through the city.

I'd like to see that!
