

SAVE THE ENVIRONMENT

Protect the Earth from pollution

Presented by

Marina

POLLUTION

This is our planet in litter and mud.

These are the effects of human work.

HOW TO SAVE THE ENVIRONMENT

Recycle litter

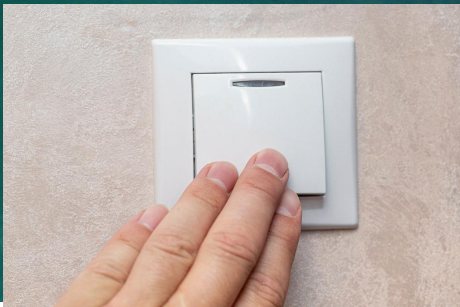

Walk or cycle every day

So what should we do?

Turn the light off when you leave a room.

Use both sides of a piece of paper

Plant some new plants

／ HOW YOU CAN
HELP AT
SCHOOL?

You can make a group of people

Every group should make something for environment all the week. As a motivation the best group have been having a prize.

**Thank You
for
attention!**
