The Great Patriotic War

is a huge emotional distress for many people.

It's hard to find a family in our country which didn't lose somebody in this awful war.

*The Great Patriotic War
was the most horrible war in human history.*

*Thousands of courageous soldiers have died,
leaving their children orphaned and wives
widowed...*

*People sacrificed
their lives to save
the country from
outer invasion, to
save their comrades
and families.*

*Today every family keeps
and honors the photos of their
ancestors, who fought
at that inhuman war.*

Даже нету могилы, поплакать где можно,
Материнскую душу излить,
Продолжается жизнь, но бесцельно тревожно,
Сын пропал, нет кого хоронить.

Умирают бесславно, как мухи, солдаты,
Путь их воинский глуп и суров,
Искалеченных госпиталь принял в палаты,
Безымянных встречает Ростов.

В мирный час пушки бьют и взрываются мины,
Лучше б в роще запел соловей,
Горько матери плачут до самой кончины,
Нет могилы с рябишкой над ней.

Every year thousands of people countrywide take part in procession «Immortal regiment»

People who want to leave a memory of the Great Patriotic War.

*My great-grandmother **Andreeva Zinaida Ivanovna** took part in this war. She was born on the 25th of December in 1929 in village Yurakovo of the Chuvash Republic in a poor family. She was the eldest child in the family and lost her parents early. The war began when my great-grandmother was 11 years old. She was a rear worker.*

Such as 50, 60, 65, 70 years of victory
in The Great Patriotic War*

The tragic event started in 1941 in the month of June and lasted for almost four years. The 9th of May, 1945 is considered to be the end of the murderous war. Each year Russian people celebrate this day as a Victory Day with numerous commemorative processions, fireworks and concerts.

I'm convinced that our generation should be appreciative for all that our great-grandfathers did for us.

*THEY SHOULD GO VICTORY
BUILDING AT ANY TIME*
