## Chenjun Tungsten & Molybdenum Co., Ltd.

### Company Profile

Chenjun Tungsten & Molybdenum Co.,Ltd. , located in Luoyang,China, is an innovative firm specialized in providing high-quality tungsten and molybdenum metal products for customers worldwide.

Our many years of experience, coupled with our excellent technical team, gives us the ability and focus to provide our clients with their customized tungsten and molybdenum products.

Chenjun has a strong technical force, advanced production equipment and testing instruments, as well as the perfect quality assurance system. We provide professional and efficient solutions to meet customers' various demands. The products sell well in domestic and overseas markets such as Russia, the United States, Japan, Korea, Germany, Sweden, Singapore etc.

# Our Advantages

1. More than 12 years of experience in tungsten and molybdenum deep processing industry.
2. Focus on the production and sales of tungsten and molybdenum and its alloy products.
3. Advanced production and testing equipments, scientific and rigorous quality control system.
4. Excellent technical team and perfect after-sales service.
5. Quick feedback on any problem.

# Main Products:

## **Tungsten series:**

Bar, Rod, Wire, Sheet, Plate, Electrode, Ball, Tube, Cube, Target, Crucible, Deep processing parts etc.

## **Molybdenum series:**

Bar, Rod, Wire, Sheet, Plate, Electrode, Ball, Tube, pipe, Cube, Target, Crucible, Deep processing parts etc.

## **Alloy series:**

WNiFe, WNiCu, WLa, WCu, WTi, Tungsten Carbide, TZM, MoLa, MoNb, MoW, MoCu, etc.

## **Other Metals:**

Cr/Ta/Ti/Ni rods, bars, plates, tube, target etc.

# Tungsten series:

# Tungsten series:

**Tungsten wire**

**Tungsten disk**

**Tungsten plate**

**Tungsten parts**

**Tungsten parts**

**Tungsten boats**

# Molybdenum series:

Mo Parts for ion implantation

Molybdenum rods

Molybdenum crucible

Molybdenum plate

Molybdenum rods

Molybdenum foil

# Molybdenum series:

# Molybdenum series:

Molybdenum rods

Molybdenum crucible

Molybdenum parts

Molybdenum parts

Molybdenum wire

Molybdenum boat

# Other Metals

# Other Metels

**Ti Target**

**Ti Parts**

**Cr Target**

**Ni Target**

**Ti Target**

**Ti rods**

# Workshops and Equipment
