

洛阳辰骏钨钼科技有限公司

Chenjun Tungsten & Molybdenum Co., Ltd.

Company Profile

Chenjun Tungsten & Molybdenum Co.,Ltd. , located in Luoyang,China, is an innovative firm specialized in providing high-quality tungsten and molybdenum metal products for customers worldwide.

Our many years of experience, coupled with our excellent technical team, gives us the ability and focus to provide our clients with their customized tungsten and molybdenum products.

Chenjun has a strong technical force, advanced production equipment and testing instruments, as well as the perfect quality assurance system. We provide professional and efficient solutions to meet customers' various demands. The products sell well in domestic and overseas markets such as Russia, the United States, Japan, Korea, Germany, Sweden, Singapore etc.

Our Advantages

1. More than 12 years of experience in tungsten and molybdenum deep processing industry.
2. Focus on the production and sales of tungsten and molybdenum and its alloy products.
3. Advanced production and testing equipments, scientific and rigorous quality control system.
4. Excellent technical team and perfect after-sales service.
5. Quick feedback on any problem.

Main Products:

Tungsten series:

Bar, Rod, Wire, Sheet, Plate, Electrode, Ball, Tube, Cube, Target, Crucible, Deep processing parts etc.

Molybdenum series:

Bar, Rod, Wire, Sheet, Plate, Electrode, Ball, Tube, pipe, Cube, Target, Crucible, Deep processing parts etc.

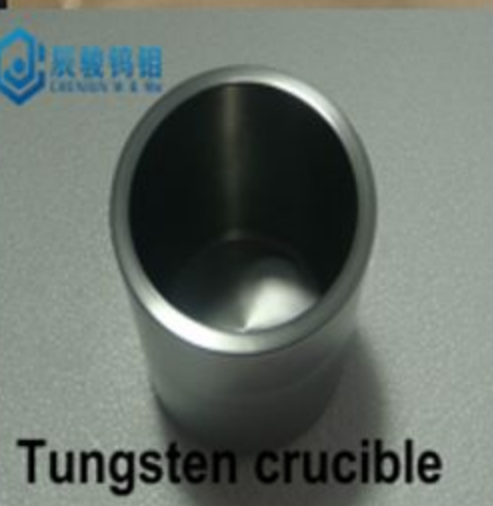

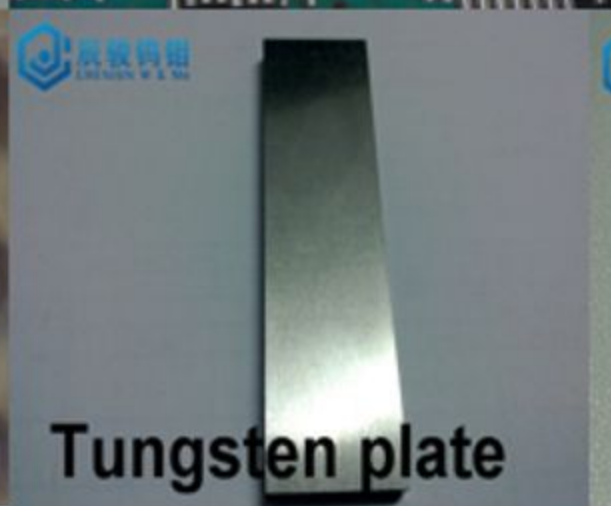

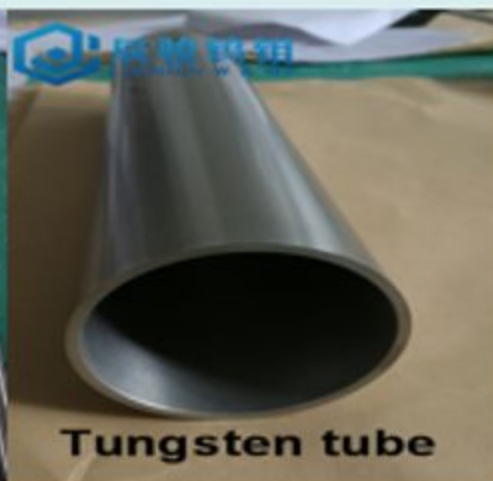

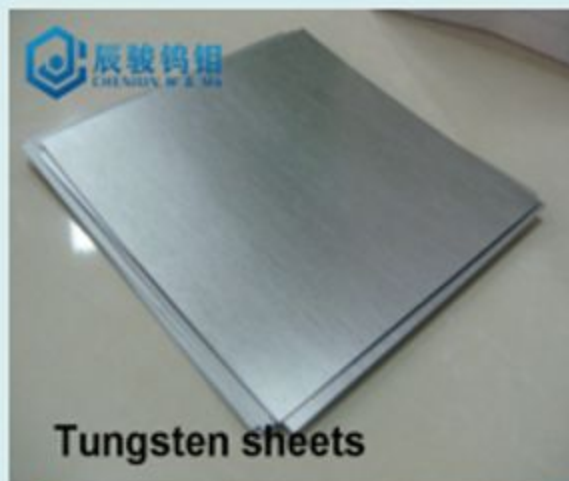

Alloy series:

WNiFe, WNiCu, WLa, WCu, WTi, Tungsten Carbide, TZM, MoLa, MoNb, MoW, MoCu, etc.

Other Metals:

Cr/Ta/Ti/Ni rods, bars, plates, tube, target etc.

Tungsten series:

Tungsten series:

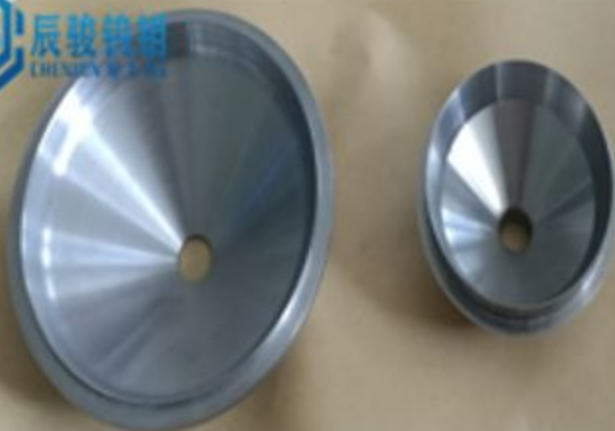

Tungsten wire

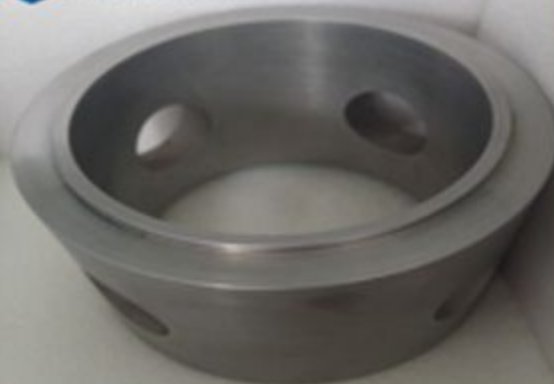

Tungsten disk

Tungsten plate

Tungsten parts

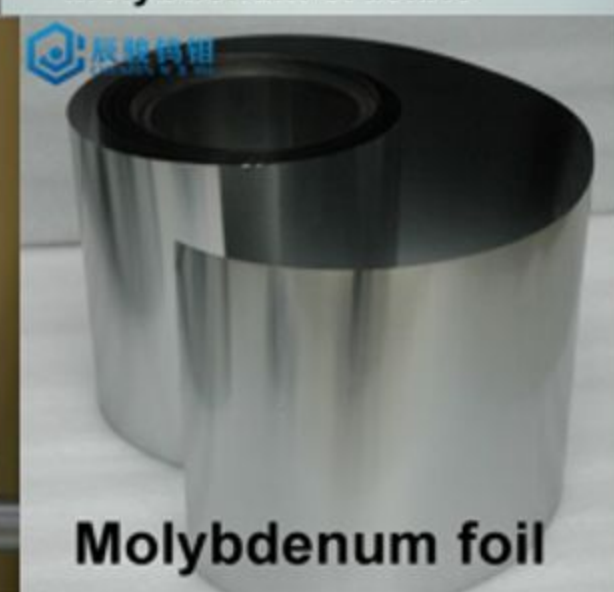

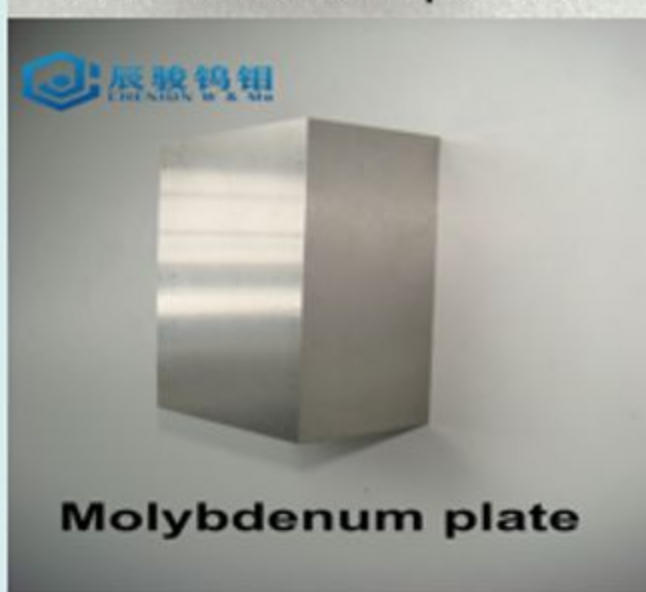

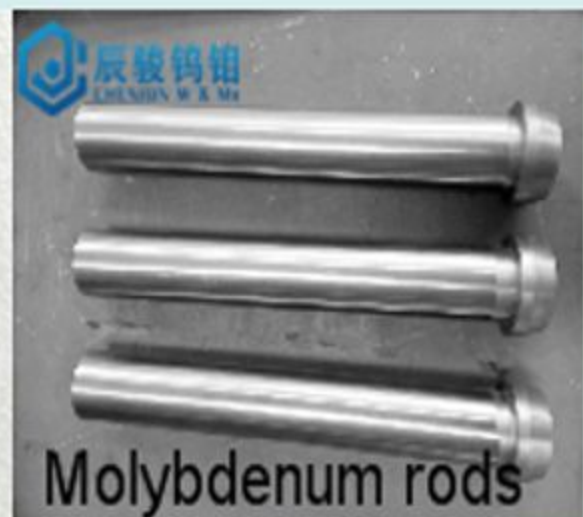

Tungsten parts

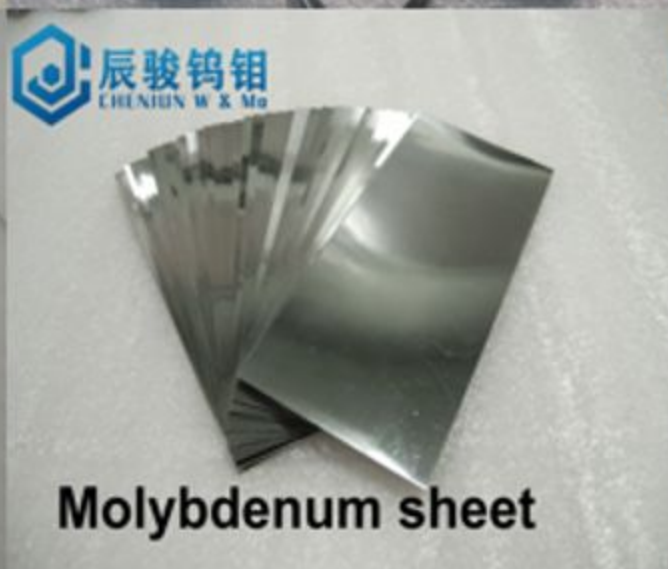

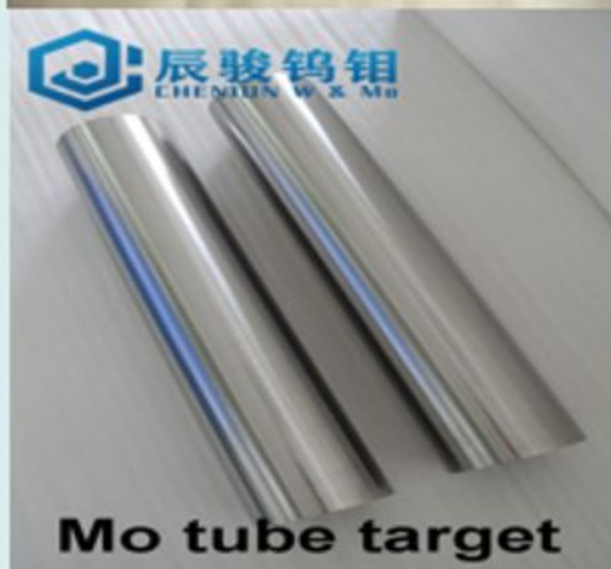

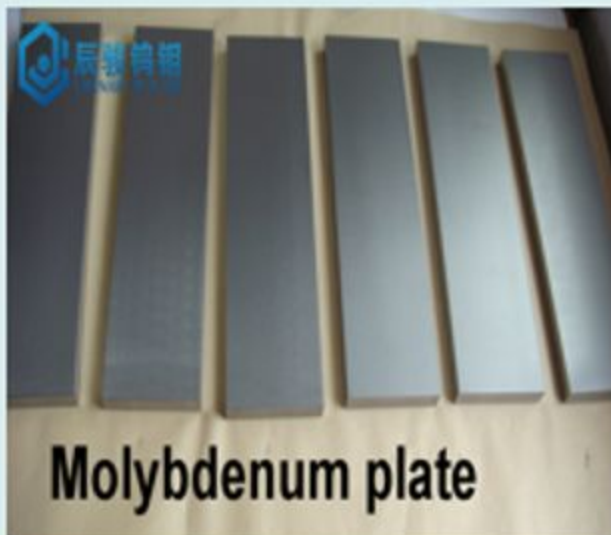

Tungsten boats

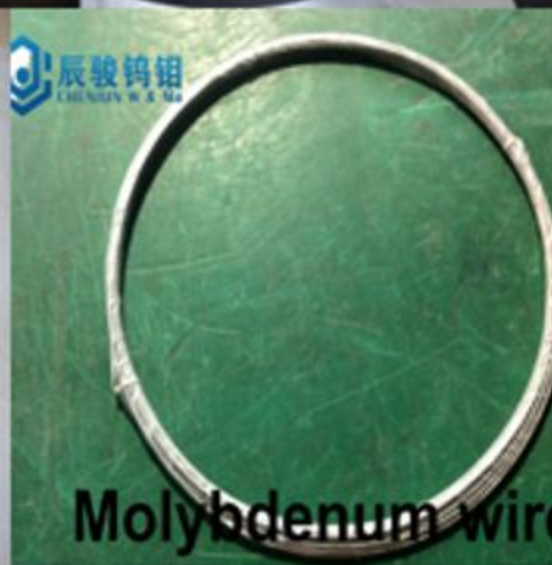

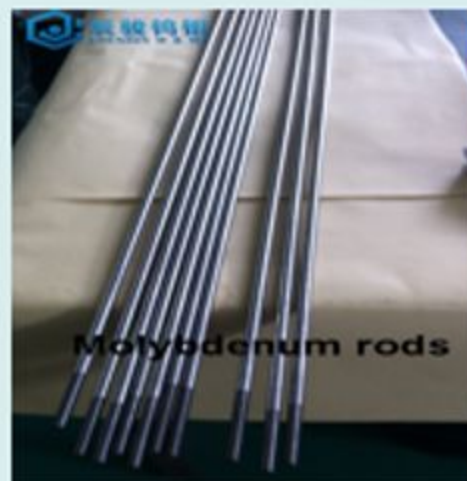

Molybdenum series:

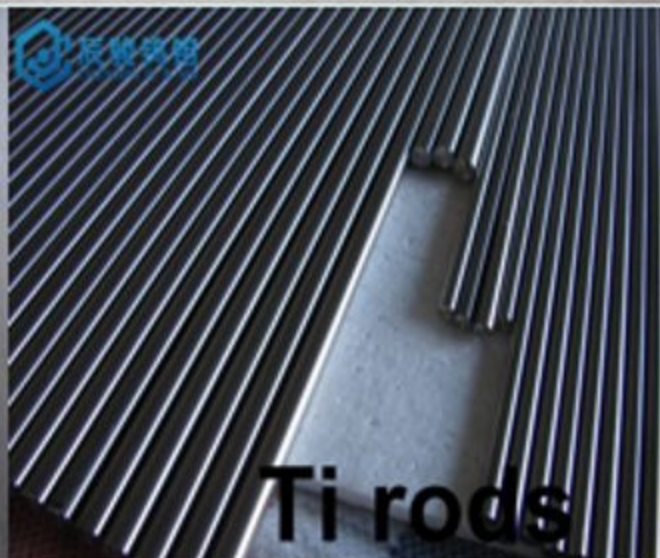

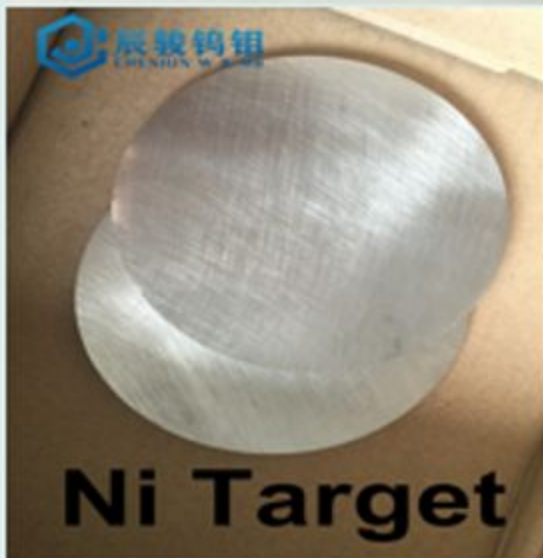

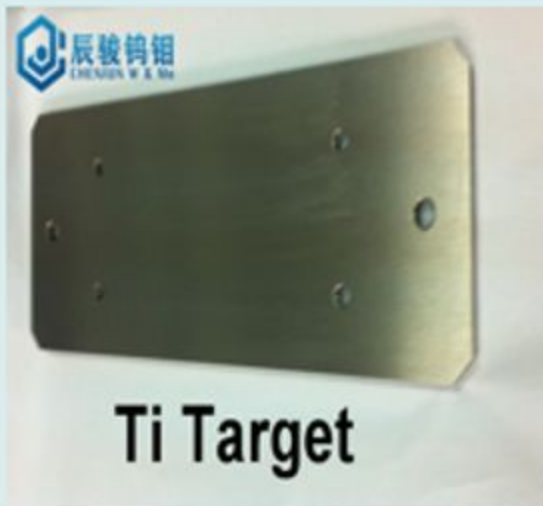

Molybdenum series:

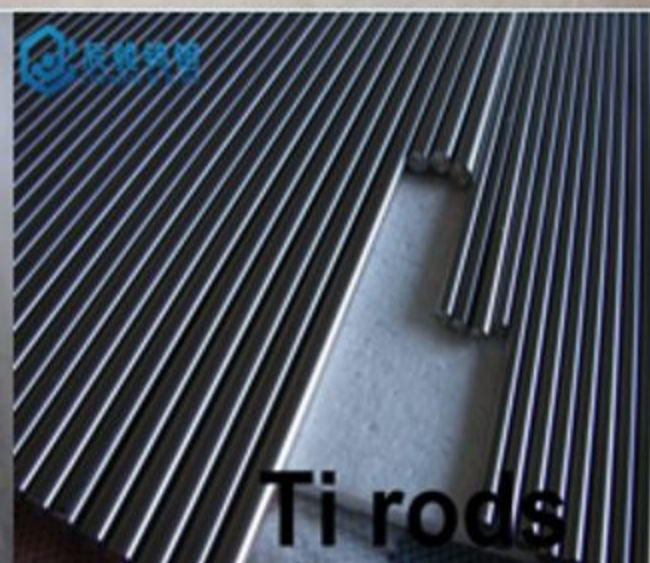

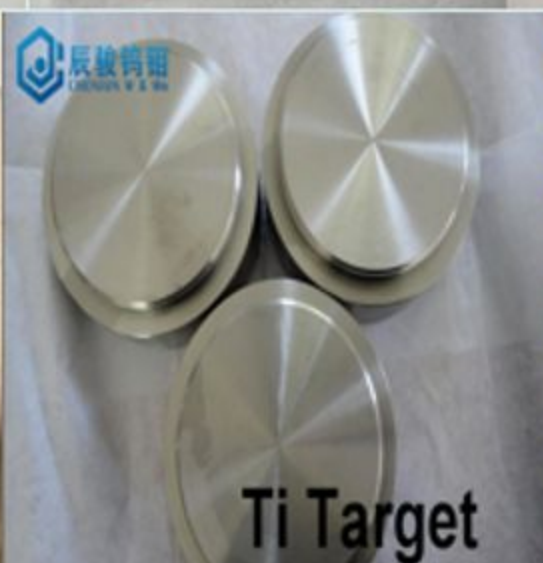

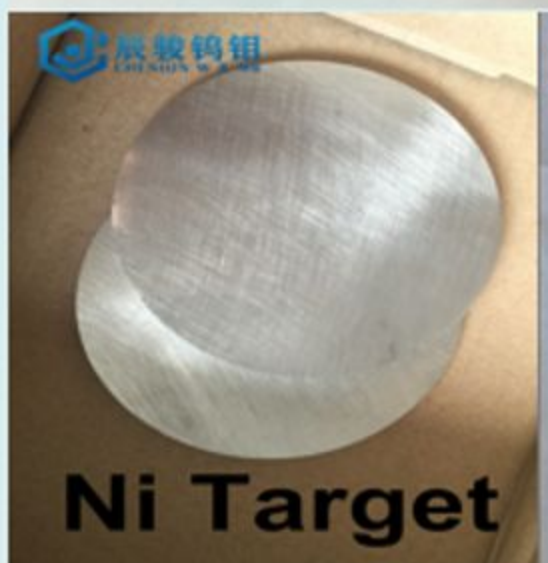

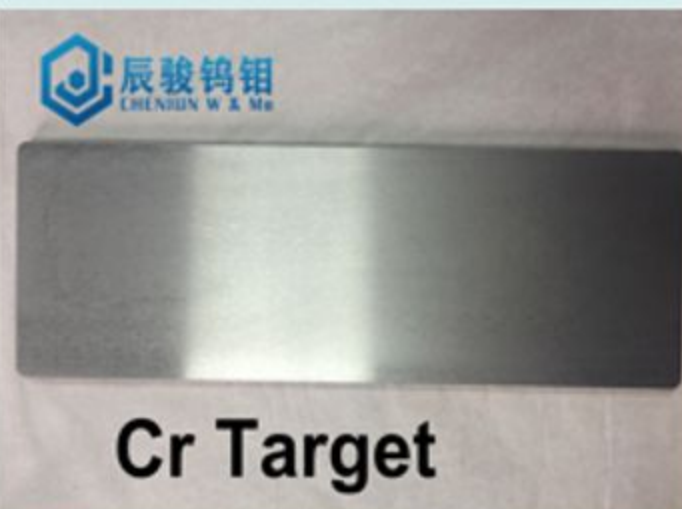

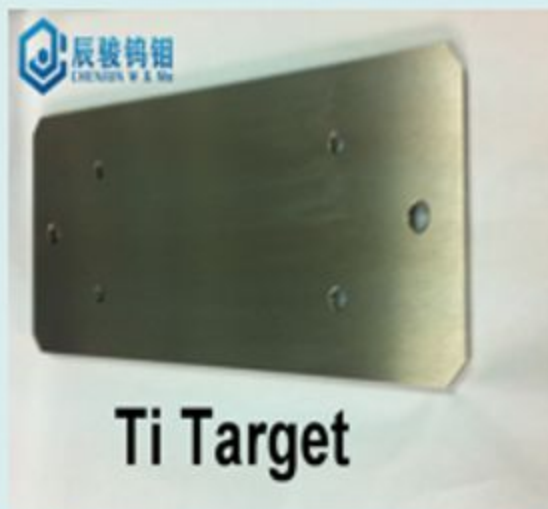

Molybdenum series:

Other Metals

Other Metels

Workshops and Equipment

Workshops and Equipment

Packing and Transportation
