

Welcome! I am Thomas Wolf, the detective.

I am currently busy with several investigations, that is why I need your help. My grandfather, inspector Albert Wolf, left me a secret note. This note is full of puzzles. I am not good at them, criminals are usually not so intelligent. That is why I can't read this message for a really long time. I promise to take you as my deputy if you decipher it.

Click on the encrypted word to go to a puzzle. Solve it and the word will appear

Let's go there!

Puzzle 05. You see a notepad with a white piece of paper which looks empty. And on the left there is a piece of pink plastic. What should we do with it?

Back to the note

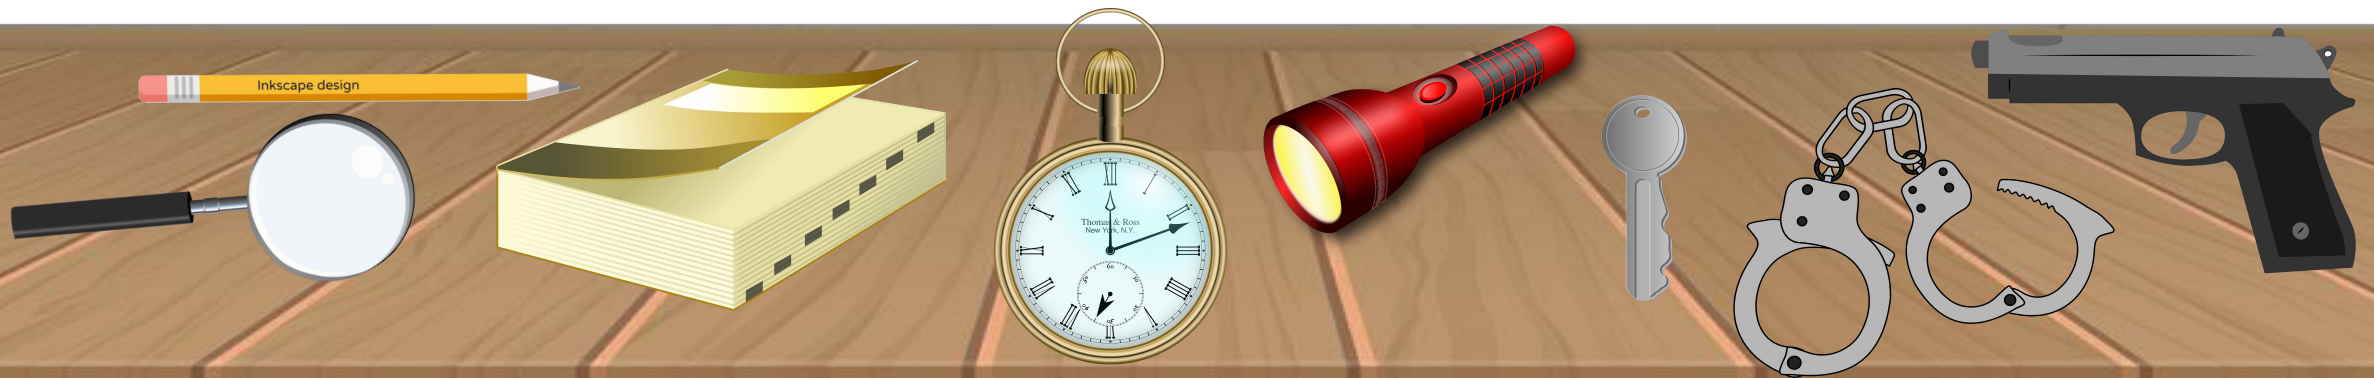

Puzzle 06. You see a track for toy cars. When you push the button they swoosh past you. You notice that they have flags with words. Perhaps, it is another message?

Send the cars

Back to the note

Puzzle 07. You look at the table and see several objects. The note says that you should find a special object. How can we do it?
