

A vibrant underwater scene featuring a variety of colorful fish swimming among diverse coral reefs and sea anemones. The water is clear and blue, with sunlight filtering through. In the foreground, a large, bright red fish with vertical black stripes and a blue tail is prominent. Other fish include a blue and yellow striped fish, a white and black striped fish, and several smaller blue and yellow fish. The coral reefs are diverse, with some being branching and others being more rounded or brain-like. The overall scene is a rich and colorful representation of a healthy coral reef ecosystem.

Dr. Seuss
One fish two fish red fish blue
fish.

One fish

Two fish

Red fish

Blue fish

Black fish

Blue fish

Old fish

New fish

This one has a little star

This one has a little car

Say!
What a lot of fish there are
Yes.

Some are red and some are blue.

Some are old and some are new

Some are sad

Some are glad

And some are very very bad

Why are they sad and glad and bad?
I do not know.
Go ask your dad

Some are thin

And some are fat

The fat one has a yellow hat

From there to here
From here to there
Funny things are everywhere

Here are some who like to run
They run for fun in the hot hot sun
Oh me! Oh my! Oh me ! Oh my !
What a lot of funny things go by

Some have two feet
And some have four
Some have 6 feet
And some have more

Where do they come from?
I can't say
But I bet they have come a long long way

We see them come
We see them go
Some are fast
And some are slow

**Some are high
And some are low**

**Not one of them is like the other
Don't ask us why
Go ask your mother**
