Alexandra Kenneth

A black and white photograph of a woman, likely a performer, captured in a dramatic pose. She is wearing a light-colored, wide-brimmed hat and a matching coat. Her head is tilted back, and her eyes are closed, conveying a sense of intense emotion or performance. Her hands are clasped together near her face. The lighting is high-contrast, highlighting her features and the texture of her clothing against a dark background. The overall mood is one of theatricality and emotional intensity.
