

Выберите только ОДНО из двух предложенных заданий (40.1 или 40.2), укажите его номер в БЛАНКЕ ОТВЕТОВ № 2 и выполните согласно данному плану. **В ответе на задание 40 числительные пишите цифрами.**

**40.1** Imagine that you are doing a project on **what book genres are popular among teenagers**. You have collected some data on the subject – the results of the opinion polls (see the table below).

**Comment on the data in the table and give your personal opinion on the subject of the project.**

Book genre	Number of readers (%)
Adventure	55.4
Detective/war/spy stories	55.3
Sports stories	49.2
Animal stories	27.2
Romance	17.6

Write **200–250 words**.

Use the following plan:

- make an opening statement on the subject of the project work;
- select and report 2–3 main features;
- make 1–2 comparisons where relevant;
- outline a problem that can arise with reading and suggest the way of solving it;
- draw a conclusion giving your personal opinion on the importance of reading in human life.

**40.2**

Imagine that you are doing a project on **what people use their smartphones for**. You have collected some data on the subject (see the diagram below). **Comment on the data in the diagram and give your personal opinion on the subject of the project.**

What people use their smartphones for

Write **200–250 words**.

Use the following plan:

- make an opening statement on the subject of the project work;
- select and report 2–3 main features;
- make 1–2 comparisons where relevant;
- outline a problem that can arise with using smartphones and suggest the way of solving it;
- draw a conclusion giving your personal opinion on the role of smartphones in our life.

Imagine that you are doing a project on **what people use their smartphones for**. You have collected some data on the subject (see the diagram below). **Comment on the data in the diagram and give your personal opinion on the subject of the project.**

The charts below show the growth in the population in some of the world's largest cities as well as the population distribution in urban and rural areas.

Summarize the information by selecting and reporting the main features, and make comparisons where relevant.

You should write at least 150 words.

***В новом формате развернутого письменного высказывания действуют те же требования:***

- использовать в работе соответствующие средства логической связи;
- лексически, грамматически и орфографически правильно оформлять текст, придерживаясь правильного стиля (в данном случае нейтрального). Это означает, что в развернутом ответе нельзя использовать:
  - 1) риторические вопросы;
  - 2) разговорные выражения и конструкции типа Let's ... (Let us и Let me – нейтральный стиль);
  - 3) сниженную лексику типа folks (people)...
  - 4) стяженные (краткие) формы глаголов (I'm, he's, don't, aren't, can't, didn't, I'd like; исключение – needn't).

**40.2**

Imagine that you are doing a project on **what people use their smartphones for**. You have collected some data on the subject (see the diagram below). **Comment on the data in the diagram and give your personal opinion on the subject of the project.**

Write **200–250 words**.

Use the following plan:

- make an opening statement on the subject of the project work;
- select and report 2–3 main features;
- make 1–2 comparisons where relevant;
- outline a problem that can arise with using smartphones and suggest the way of solving it;
- draw a conclusion giving your personal opinion on the role of smartphones in our life.

Use the following plan:

- *make an opening statement on the subject of the project work;*

✓ Nowadays almost everyone has a smartphone. Doing a project about the reason why people use smartphones I have collected some data related to the topic. This information is given in the table. In this project I am going to outline several key features based on the results of the diagram.

Use the following plan:

- *make an opening statement on the subject of the project work;*

- ✓ Nowadays almost everyone has a smartphone. *Doing a project about the reason why people use smartphones I have collected some data related to the topic.* This information is given in the table. In this project *I am going to outline several key features based on the results of the diagram.*

Use the following plan:

- *make an opening statement on the subject of the project work;*

✓ Nowadays almost everyone has a smartphone. *Doing a project about the reason why people use smartphones I have collected some data related to the topic.* This information is given in the table. In this project *I am going to outline several key features based on the results of the diagram.* 50 words

Use the following plan:

- make an opening statement on the subject of the project work;
- ***select and report 2–3 main features;***

- ✓ As we can see, most often, phones are used to send and receive e-mails as well as to make phone calls - 79% and 78%, respectively whereas paying for purchases is the least popular use, which is quite surprising for me.

Use the following plan:

- make an opening statement on the subject of the project work;
- *select and report 2–3 main features;*

- ✓ As we can see, most often, *phones are used to send and receive e-mails as well as to make phone calls* - 79% and 78%, respectively whereas *paying for purchases is* the least popular use, which is quite surprising for me.

Use the following plan:

- make an opening statement on the subject of the project work;
- *select and report 2–3 main features;*

- ✓ As we can we can see, most often, *phones are used to send and receive e-mails as well as to make phone calls* - 79% and 78%, respectively whereas *paying for purchases is* the least popular use, which is quite surprising for me.

43 words

Use the following plan:

- make an opening statement on the subject of the project work;
- select and report 2–3 main features;
- *make 1–2 comparisons where relevant;*

- ✓ According to the data in the table, smartphones are used almost equally to browse the Internet and play games. Another important thing to mention is that people use their smartphones to buy goods 4 times less often than for communication. It demonstrates that the main purpose of using this device is to connect with people quickly.

Use the following plan:

- make an opening statement on the subject of the project work;
- select and report 2–3 main features;
- *make 1–2 comparisons where relevant;*

- ✓ According to the data in the table, smartphones are used almost *equally to browse the Internet and play games*. Another important thing to mention is that *people use their smartphones to buy goods 4 times less often than for communication*. It demonstrates that the main purpose of using this device is to connect with people quickly.
