

Vyatka College of Professional Technologies,  
Management and Service

Canada

**The Project is  
done by student  
of the group 21-0  
Specialty:  
technology cook  
Sysin Vladislav  
Teacher: Ushakova  
S.N.**

# Plan

1. Introduction. Problem question.

2. Canada

Geographical position

Capital, places of Interest

in Canada

Some Interesting about country

3. Conclusion

4. Literature and Internet Resources

5. Thank you for attention

# Introduction. Problem question.

- 1) My project is Canada. I would like to tell you about the country, the capital, Geographical position, places of Interest
- 2) The tasks of my project is learn something new about the country
- 3) To know more about Canada
- 4) Theme is very interesting for me, because I like to explore new countries.

# Problem question.

## Is there really a problem with immigrants in Canada?

Canada has a fairly open policy towards immigrants. Over the past 20 years, about 5 million immigrants have chosen Canadian citizenship. This confirms the loyal attitude of the authorities to immigrants

# Geographical position

Canada occupies the northern part of the North American continent and some islands. Its borders on the USA. The country is washed by the Pacific Ocean and the Atlantic Ocean.

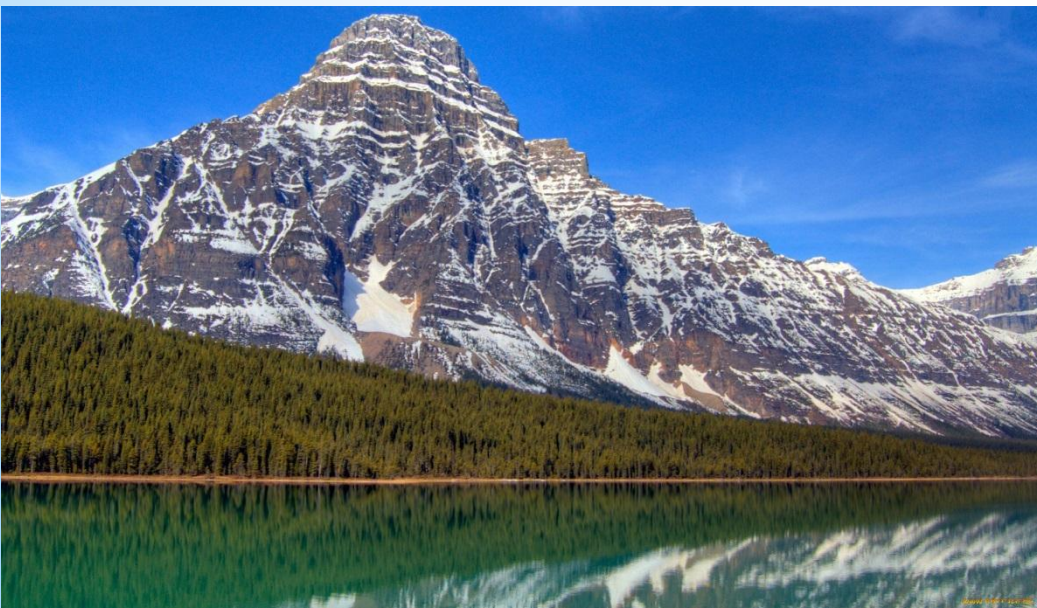

# Canada

## Geographical position

Mount Logan is the highest point in the Canadian lands, the height of which is 5,951 meters above sea level.

In Canada, there are a large number of large and full-flowing rivers. For example, the Mackenzie River, which is more than 4.5 thousand km long, is the longest river in all of North America.

# Capital, places of Interest

The capital of Canada is Ottawa. The main attraction of the capital of Canada is the Rideau Canal, which runs directly through the city center. This channel becomes the largest ice ring in the world in winter.

# Some Interesting about country

Canadians eat more macaroni and cheese than any other country.  
Canada is a country of maple syrup and hockey teams

# Conclusion

- 1) I have chosen the theme Canada, because Canada is an interesting country.
- 2) This problem question is very important for me, because it is currently relevant.
- 3) To my mind Canada is a diverse country.
- 4) My attitude to Canada is positive.
- 5) As for me Canada is a good country for tourism.
