everyone! It's the summer holidays and time for adventure! Email your stories, but first read about Kate.

Hi! My name is Kate. I'm twelve years old and I'm sailing around the world with my family. My little brother Nat and I don't go to school. We have lessons with our mum and dad on the boat. Geography is our favourite subject because we often visit the places in our books.

We started our adventure in California, then we went to Mexico. Now we're in Australia. Our granny lives here. She's 60 years old and she can surf! This morning was exciting because we saw a shark. It was scary but we were lucky – it didn't see us.

Sailing is fun! I like swimming and I love sailing the boat with dad. I can cook too, but Nat can't – he's lazy! I don't like bad weather. When it rains it's boring. We haven't got a TV so I read or listen to music. At the moment it isn't raining. It's sunny and hot. We're all on the beach and we're having fish for lunch!
