

- I'd like to describe picture/ photo № 1.

In the picture I can see a (man, a boy, a woman, a girl).

I think / suppose/ guess he/ she is

- in the (classroom, garden, forest, skating rink, car, park)
- At the stop, at the lesson, at the stadium, at the exhibition, at the concert

The girl/ boy/ man/ woman in the picture is having fun, is playing, writing, singing, sitting, is lying, is thinking, is looking at the camera, is working, is listening to music, is running.

He/she is (rather, quite, fairly, very) beautiful/handsome.

He/she is tall/not very tall and slim/stout. She/he has (rather, quite, fairly, very) long/short dark/blond hair, a beard/moustache. He/she is wearing glasses.

I like this picture because it is a professional photo and I'm interested in photography./ I like this picture because I also enjoy reading, playing, sports.
