# About

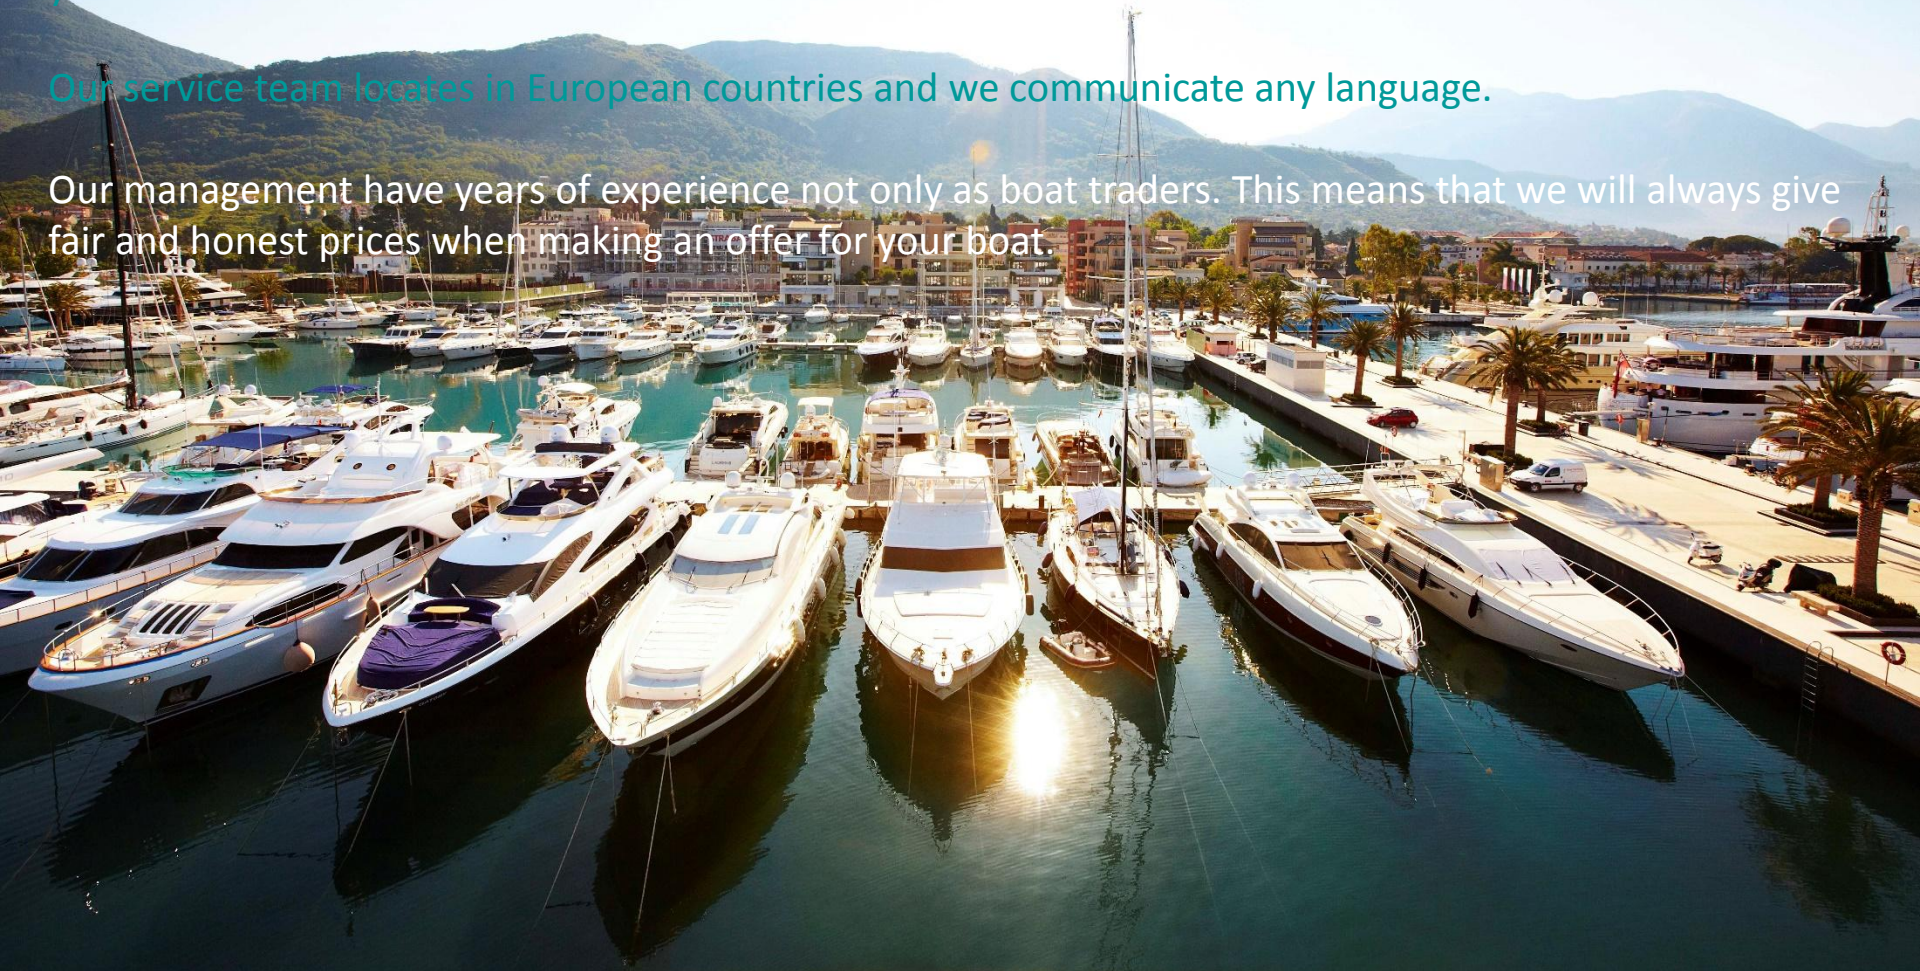

US

We are boat traders that buy and sell any type of boat, but primarily premium boats, yachts, motorboats etc. After the purchase we sell the boat for shares to sail by several share owners as well encouraging boat owners to switch from boat to boat.

If you have a boat, you're looking to sell it couldn't be easier. [Fill out our contact form](#) and we will contact you within 24 hours.

Our service team locates in European countries and we communicate any language.

Our management have years of experience not only as boat traders. This means that we will always give fair and honest prices when making an offer for your boat.
