Character

- **Cheque**

This is one of the most common words used in an everyday conversation. It is a synonym for “O.K”, “Alright”, “Great!”.

- **Alero**

Alero/a is your best friend, specifically, the one guy or girl who is always up for any of your adventures.

- **Pijin**

Warning! If a Honduran friend says that you are going to catch a *pijin* this weekend, it means the party mode is on... No mercy on the drinks.
