an expedition for gold

There's a lot of it

A photograph of three huskies pulling a sled in a snowy environment. The husky on the left is in mid-stride, looking up and barking with its mouth open. The middle husky is looking forward with its mouth slightly open. The husky on the right is also looking forward with its mouth open. They are all wearing harnesses. A green leash is attached to the middle husky's harness. In the background, there is a wooden sled with a black handle and a black strap. The ground is covered in snow, and there are snow-covered trees in the background.

You can take a ride on the
Huskies

This is a very nice common
adventure
