

A scenic landscape photograph of a lake in Alaska. The foreground is dominated by dense evergreen trees, with a small pond reflecting the sky and trees. A narrow path leads to a small island in the lake where a few people are visible. The background features a range of mountains with significant snow cover under a cloudy sky.

# Alaska

Alaska - separated States.

The capital of Alaska, Juno.

Alaska - a unique place

In Alaska, you can often  
see the northern lights

# In Alaska, a lot of abandoned places
